the professional writing guide is for people who wish to improve the quality of their documents and the efficiency of their writing busy executives and other writers in organisations who may spend between 30 and 80 per cent of their working time writing will find it invaluable because it clearly outlines the principles that underlie effective documents this book will enable executives to write confidently competently and persuasively high quality output is crucial to a company s image and to a professional s own career advancement errors in a document can prove expensive the professional writing guide is an indispensable and accessible reference tool as well as a comprehensive style manual for writers who wish to avoid those expensive mistakes and make a positive impression written by two long term professional writing educators with extensive experience of consulting to australian business and industry this lively and highly practical book features workable reliable and powerful strategies that can be used to systematically eliminate the writing problems of organisational writers

this unique and comprehensive text offers an original approach to teaching creative writing by exploring ideas giving advice and explaining workshop activities and has many contributors from some of today s most popular children s authors including jacqueline wilson roger mcgough philip pullman malorie blackman and david almond creating writers is a practical writing manual for teachers to use with upper primary and lower secondary level pupils that covers poetry fiction and non fiction

is a practical reference guide designed to focus on the specific and varied requirements of researchers and advisors the book focuses on a standardized style and format for writing a thesis features the guidelines suggested by the mla and the apa and explains and illustrates the number system and the traditional footnote style the book includes a comprehensive treatment of thesis organization and documentation and extensive specimen pages of the various elements of the thesis problem areas such as thesis statements quotation handling and paraphrasing without plagiarism and documentation of multivolume works are effectively exemplified also included are a detailed chapter on punctuation and mechanics a chapter on some reminders on the question of style and a thesis evaluation form guidelines for writing a research paper along with some writing samples are also incorporated a thesis typing guide sheet accompanies the book thus this manual is a friend in need for the researcher

for scholars and business men by a scholar and a business man manly and powell s manual should be of great service it gives concisely but clearly helpful suggestions on the expression of thought and authoritative information upon practices in printing of its twelve chapters the first seven are given up to writing the last five to the questions which arise in connection with the publication of articles and books the first chapter twenty five pages specifically on english composition is the most sensible rhetoric in miniature that i have ever seen the notes that follow on grammar diction punctuation capitalization and italicization are exactly what every man at all doubtful of his knowledge in these matters needs to have at hand the chapter on letter writing answers every practical question that could be asked about the subject it is too dogmatic for my taste especially in regard to personal letters but that is a detail as for the second half of the book including the index its accuracy and definiteness are hardly short of marvelous there are two books here rather than one and i do not believe that the scholar has much need of the first half or the business man of the second but the whole volume is so convenient and so inexpensive that all sorts and conditions of men are certain to thank heaven for it the english journal in these days when as the publishers of books and the producers of plays assure us every intelligent and fairly educated person as well as some who have not these qualifications has the manuscript of the great novel or epoch making play either in preparation or else

shuttling through the mails a volume of information in regard to the technique of writing ought to meet with widespread interest especially ought this to be true in the case of manly and powell s manual for writers for this is a book compiled by men who are qualified to speak with authority the one on questions of propriety and usage the other on the practice of publishers it is free from the dogmatism and petty pedantry which so generally characterize the style books of newspapers magazines and publishing houses upon points where usage is divided the authors as they have carefully pointed out in the preface have for the sake of uniformity and practical efficiency presented only a single form its great merit lies in the fact that it is authoritative with a few minor exceptions which are practically negligible its rules and precepts are unquestionable the school review

an essential tool for writers editors proofreaders designers copywriters production managers and marketers too the christian writer s manual of style is an essential tool not only for writers of religious materials but for their editors proofreaders designers copywriters production managers and even marketers rather than simply repeating style information commonly available in standard references this newly updated and expanded edition includes points of grammar punctuation usage book production and design and written style that are often overlooked in other manuals it focuses on information relating to the unique needs and demands of religious publications such as discussions on how to correctly quote the bible how to capitalize and use common religious terms and how to abbreviate the books of the bible and other religious words also included are rarely found items such as an author s guide to obtaining permissions guidelines for using american british and mid atlantic styles discussions of inclusive language profanity and ethnic sensitivities discussions of internet and computer related language style a list of problem words style issues regarding words from major world religions a discussion of handling brand names in text a list of common interjections issues of type design paper copy fitthis edition has been completely updated since the 1988 edition and contains more than twice as much information as the previous edition this is the most detailed and comprehensive guide of its kind

mastering the skills necessary for clear effective writing can make writing tasks flow more easily this book helps academic librarians who are new to the profession or new to a supervisory or management position as well as those who want to be more productive and make their writing for work go more smoothly from progress reports to project plans cover letters to case studies and book reviews to blogging readers will find examples and how tos for most of the types of writing they need to do in their academic library careers discusses the importance of style and audience analyzes and guides the reader through the types of writing that academic librarians use in their everyday work includes information on presenting data specifically tables graphs and charts

once nearly as ubiquitous as dictionaries and cookbooks are today letter writing manuals and their predecessors served to instruct individuals not only on the art of letter composition but also in effect on personal conduct poster and mitchell contend that the study of letter writing theory which bridges rhetorical theory and grammatical studies represents an emerging discipline in need of definition in this volume they gather the contributions of eleven experts to sketch the contours of epistolary theory and collect the historic and bibliographic materials from isocrates to email that form the basis for its study

excerpt from a manual for writers covering the needs of authors for information on rules of writing and practices in printing the manual of style of the university of chicago press originally published as a guide for printers proof readers and copy editors was soon found to be so use ful to writers for the press secretaries stenographers typists and all other classes of persons interested in writ ing that the demand for it became very great and the volume has passed through three editions each more voluminous than the preceding several of its chap ters however though of prime interest to printers are of comparatively slight value to writers the present volume has therefore been prepared with the intention of supplying their special needs about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art

technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
