author dev prana considers himself a muslim on fridays a jew on saturdays a christian on sundays and a buddhist on mondays regardless of the faith he explores on any given day each and every day he tries to be a walking embodiment of love peace and kindness he is a student of religion but it was not always this way twenty years ago as he sought peace through study he ended up tumbling over life s purpose spiritual quest of a baby yogi is one seeker s search for truth amidst the many religions of the modern world and his eventual realization that all religions lead to one father of the universe no matter the book quran or bible and no matter the figure buddha or jesus christ all spiritual striving focuses on the similar foundations of unconditional love nonviolence and inner peace as human beings it is important we make an honest attempt to seek god in order to achieve enlightenment we are different races with different beliefs but we share this earth as one together we can fill it with peace and love but we must first make a spiritual connection with the higher power it is time to become devout students of spirituality in order to make this world a better place

many spiritual seekers today are confused they imagine enlightenment as a state of perfect peace entirely detached from worldly things and feel disappointed or inadequate when they don t attain that ideal ramesh s balsekar a self realized sage whose teachings have reached thousands offers a down to earth message that corrects this misunderstanding with eloquence and humor he shows how spirituality and daily life can exist in harmony we conquer our confusion when we accept that whatever exists in the moment is precisely as it s supposed to be according to the cosmic law that is forever beyond the grasp of the human intellect with jargon free simplicity he explains how to find true peace by learning to perceive the oneness of all things

the interface between the individual and what constitutes his world is formed by a nexus of cosmic forces of graded subtlety understanding these forces and energies opens up a whole field of tangibly realizable possibilities the book attempts to ignite a spark that illuminates the fact that the spiritual goal cannot be attained by suppression or a denial of your desires and passions that we need to rise above violent labelling of power desire and money as evil and identify the real evil within as a lack of awareness of the energy field and its role as a bridge between matter and spirit the book borrows on the quotations of ancient and modern physicists metaphysicists sages philosophers and poets and blends their words with some personal reflections based on experience the intent at all times being to share perspectives that embrace the spiritual potential in material and the material possibilities of the spiritual journey the book celebrates the oneness of spirit and matter through these quotes which have been compartmentalized into chapters that inform educate or gently hint at this oneness and harmony which holds the disparate cosmic components together as a seamless whole
