outlining the different types of financial crime and their impact this book is a user friendly up to date guide to the regulatory processes systems and legislation which exist in the uk each chapter has a similar structure and covers individual financial crimes including money laundering terrorist financing fraud insider dealing market abuse bribery and corruption and finally tax avoidance and evasion offences are summarized and their extent is evaluated using national and international documents detailed assessments of financial institutions and regulatory bodies are made and the achievements of these institutions are analysed sentencing and policy options for different financial crimes are included and suggestions are made as to how criminal proceeds might be recovered this second edition has been fully updated and includes a section on cybercrime and a new chapter on tax evasion case summaries have also been included in those chapters where a criminal justice route is used by the prosecuting authorities

gives voice to the conscripts who are forced to serve indefinitely without remuneration under the ens in a powerful critical survey of its effect

from the liberation struggle to today the eritrean national service ens lies at the core of the post independence state not only supplying its military but affecting every aspect of the country s economy its social services its public sector and its politics over half the workforce are forcibly enrolled into it by the government driving the country s youth to escape national service by seeking employment and asylum elsewhere yet how did the ens which began during the 1961 91 liberation struggle as part of the idea of the common good in which individual interests were sacrificed in pursuit of the grand scheme of independence and the country s development degenerate into forced labour and a modern form of slavery and why when eritrea no longer faces existential threat does the government continue to demand such service from its citizens this book provides for the first time an in depth and critical scrutiny of the ens achievements and failures and its overarching impact on the social fabric of eritrea the author discusses the historical backdrop to the ens and the rationales underlying it its goals and objectives its transformative effects as well as its impact on the country s defence capability national unity national identity construction and nation building he also analyses the extent to which the national service functions as an effective mechanism of transmitting the core values of the liberation struggle to the conscripts and through them to the rest of country s population finally the book assesses whether the core aims and objectives of the ens proclaimed by various governments have been or are in the process of being accomplished and drawing on the testimony of the hitherto voiceless conscripts themselves its impact on their lives and livelihoods gaim kibreab is professor of research and director of refugee studies school of law and social science london south bank university he is the author of eritrea a dream deferred james currey 2009 and people on the edge in the horn james currey 1996

exploring case studies from the first gulf war to the syria crisis this book discusses different approaches to the use of international law and the role it plays in international power politics analysis of the post cold war overseas military involvements of western powers has focused on their legality and legitimacy allowing for a conflation of the concepts and distracting from the true source of international legitimacy demonstrating compliance with international law can be helpful but it plays a secondary role to other more powerful considerations such as national interest and shared national security concerns exploring the key drivers for decision makers this book identifies the impact of previous experience on the use of international law in the quest for legitimacy ahead of launching military action patterns in approach and of relations between close western allies in particular the uk and us are identified offering valuable lessons for future strategic decision making this book will appeal to scholars and students of international relations and international law think tanks focussing on international relations and the use of force and practitioners working in the realm of foreign policy with a focus on the un and international law will also be interested in the study and conclusions drawn

this four volume collection of primarily newly transcribed manuscript material brings together sources from both sides of the atlantic and from a wide variety of regional archives it is the first collection of its kind allowing comparisons between the development of the family in england and america during a time of significant change volume 4 managing families ii in this final volume documents are focused on some of the more negative aspects of family life sections focus on authority power and discontent violence and conflict and death and mourning topics include estate disputes contested marriages spousal abuse deaths wills and memorials
