the award winning managing diversity toward a globally inclusive workplace uses an interdisciplinary approach to provide students with an understanding of diversity from a global perspective author michalle e mor barak offers practical guidelines to help managers create an inclusive workplace and develop an organizational culture that embraces diversity the fifth edition includes expanded coverage of environmental justice disability diversity lgbtq diversity and inclusive leadership

this book can serve as a guide to effective management of a diverse workforce in a global context it offers information on the new realities of the workforce including demographic legislation and social policy trends around the world it analyzes the causes and consequences of workforce exclusion highlighting the groups commonly excluded in various countries it provides a model of the inclusive workplace suggesting policies procedures and programs that facilitates implementation gender is

only one of the components of workplace diversity but in many countries the share of women in the labor force is still rising the book offers theory statistics examples and case studies

this book addresses issues related to school inclusion from the perspective of systemic inclusion it focuses on the need to face the challenges of inclusion in education from a broad perspective including the classroom the school as an institution families and the community it also pays attention to the full interactions between them the book demonstrates how inclusion can be carried out in very real concrete and everyday ways it also shows how researchers can work hand in hand with the professionals and other stakeholders who are developing their practices day by day the book draws on a range of research projects of the spanish and international research groups to provide both rich theoretical frameworks and rigorous research outcomes related to the four dimensions of the systemic inclusion perspective and its necessary networking classroom school families and the community most of the chapters take spain as the case study but far from being a local book it uses spanish analysis to dialogue universally with current main debates and challenges in inclusion almost 30 years after the salamanca statement

thought provoking and accessible in approach this updated and expanded second edition of the managing diversity toward a globally inclusive workplace provides a user friendly introduction to the subject taking a clear structural framework it guides the reader through the subject s core elements a flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts this succinct and enlightening overview is a required reading for advanced graduate level students we hope you find this book useful in shaping your future career feel free to send us your enquiries related to our publications to info risepress pw rise press

this book contains an inclusive compilation of perspectives about the arctic ocean with contributions that extend from indigenous residents and early career scientists to foreign ministers involving perspectives across the spectrum of subnational national international jurisdictions the arctic ocean is being transformed with global climate warming into a seasonally ice free sea creating challenges as well as opportunities that operate short to long term underscoring the necessity to make informed decisions across a continuum of urgencies from security to sustainability time scales the arctic ocean offers a case study with lessons that are especially profound at this moment when humankind is exposed to a pandemic awakening a common interest in survival across our globally interconnected civilization unlike any period since the second world war this second volume in the informed decisionmaking for sustainability series reveals that building global inclusion involves common interests to address changes effectively for the benefit of all on earth across generations
