despite soho's rich cultural history there remains an absence of work on the depiction of the popular neighbourhood in film soho on screen provides one of the first studies of soho within post war british cinema drawing upon historical cultural and urban studies of the area this book explores twelve films and theatrically released documentaries from a

filmography of over one hundred soho set productions while predominantly focusing on low budget exploitation films which are exemplars of british and international filmmaking young also offers new readings of star and director biographies from laurence harvey to emeric pressburger and in so doing enlivens discussion on filmmaking in a time and place of intense social transformation technological innovation and growing permissiveness

examines the construction of images of masculinity and the effect they have on identity sexuality and sexual politics influences from black and white culture are explored as well as the ironies of class colour and sexuality

this book considers the state of the city and contemporary urbanisation from a range of intellectual and international perspectives the most interdisciplinary collection of its kind provides a contemporary update on urban thinking that builds on well established debates in the field uses the city to explore economic social cultural environmental and political issues more broadly includes contributions from non western perspectives and cities

london s soho district underwent a spectacular transformation between the late victorian era and the end of the second world war its old buildings and dark streets infamous for sex crime political disloyalty and ethnic diversity became a center of culinary and cultural tourism servicing patrons of nearby shops and theaters indulgences for the privileged and the upwardly mobile edged a dangerous transgressive space imagined to be outside the nation treating soho as exceptional but also representative of london s urban transformation judith walkowitz shows how the area s foreignness and porousness were key to the explosion of culture and development of modernity in the first half of the twentieth century she draws on a vast and unusual range of sources to stitch together a rich patchwork quilt of vivid stories and unforgettable characters revealing how soho became a showcase for a new cosmopolitan identity

this definitive insiders handbook to london covers all the sights from the old favorites to new wonders such as the london eye and tate modern gallery at bankside includes additions to listings for clubs shopping dining and performing arts 35 maps color maps

this title was first published in 2000 john ireland 1879 1962 was as elusive as the music that he composed his music resists easy categorization in part because it is linked so closely to specific events places and people in ireland s personal life the music of john ireland explores the expressive and extramusical qualities of ireland s compositions and their complex system of personal musical symbols images and ideas fiona richards interweaves biography and musical analysis in a series of chapters which take their themes from the significant influences in ireland s life anglo catholicism paganism the countryside the city love and war ireland emerges as highly individual struggling with his religious beliefs his sexuality and an uncertainty as to his success his music often an expression of a state of mind is given for the first time the close investigation that it merits ireland preferred to compose on a small scale showing a masterful command of form and a gift for melody richards reveals how the essence of the man shines through in the miniatures that he wrote

soho illicit glamorous sordid louche poverty stricken squalid exhilarating one of britain s best loved historians dan cruickshank grants us an intimacy with centuries of rich and varied london history as he guides us around the soho of the last five hundred years we learn of its original aspirations towards respectability how it became the city s bohemian quarter and why it was once home to its criminal underworld the history of soho is written in its surviving architecture including its bars clubs and theatres cruickshank observes how the common denominator over the centuries is its appeal as a destination for immigrants from french huguenots to the italian and east european jewish community and recent chinese diaspora and that this is the foundation of its spirit and success even as he mourns some of the changes he pays heartfelt testament to the district s resilience
