don cupitt here sharply juxtaposes the traditional apostles creed of western christianity and the emergent creed of modern radical theology side by side they look amazingly different and cupitt carefully explains what is happening and why the main change he argues is that the old creed situated the believer within a huge narrative cosmology the central myth of a great

religion based civilization whereas the new creed merely defines the bare outlines of a modern spirituality the new religion emerges as being scarcely creedal at all it is the practice of solar living people no longer look up instead they are content simply to claim their own lives to find their own way of living them and to live life to its fullest just ordinary life itself is now the religious object which shows the post protestant character of the new outlook book jacket

the battle for control of guadalcanal and what americans learned from it forms the heart of william h whyte s memoir humorous and loving brilliantly descriptive and fully researched a time of war is a significant addition to the personal accounts of the war in the pacific
