practice but also for tomorrow's unique collaborative care approach organizes all medical surgical nursing and other interventions within the framework of the nursing process mirroring the nurse's role in the coordination management of care in the real world of medical surgical nursing. Unique a focus on nursing concepts relates concepts learned in nursing fundamentals with the disorders you will study in medical surgical nursing. Easy to read direct address writing style makes this one of the most readable medical surgical nursing textbooks available. Unique a focus on QSEN emphasizes patient safety and evidence based practice with nursing safety priority boxes including drug alerts, critical rescues, and action alerts. Unique emphasis on clinical judgment teaches you to develop skills in clinical reasoning and clinical decision making when applying concepts to clinical situations with clinical judgment challenge questions throughout the chapters. An emphasis on prioritization stresses the most important patient problems and nursing interventions with patient problems presented in a single prioritized list of nursing diagnoses and collaborative problems. Unique NCLEX preparation tools include chapter opening learning outcomes and chapter ending "Get Ready for the NCLEX Examination" sections organized by NCLEX client needs categories plus NCLEX examination challenge questions with an answer key in the back of the book and on the Evolve companion website. Practical learning aids include NCLEX examination challenges, clinical judgment challenges, best practice for patient safety, quality care charts, common examples of drug therapy, concept maps, laboratory profiles and more. A clear alignment with the language of clinical practice reflects the real world of nursing practice with NANDA diagnostic labels where they make sense and non-NANDA diagnostic labels when these are more common descriptions of patient problems. Student resources on the Evolve companion website help you prepare for class, clinics, or lab with video and audio clips, animations, case studies, a concept map creator, NCLEX exam style review questions and more. Unique concentration on essential knowledge for the RN level of medical surgical nursing practice focuses your attention on need to know content to pass the NCLEX examination and practice safety as a beginning nurse. New enhanced focus on QSEN quality and safety education for nurses competencies includes new icons identifying QSEN competency material and new quality improvement boxes describing projects that made a dramatic difference in patient outcomes. Updated learning features include an expanded emphasis on developing clinical judgment skills on prioritization, delegation and supervision skills on long term care issues and on preparation for the NCLEX examination and consistency with the 2013 NCLEX RN test plan. New unique care of transgender patients chapter discusses the unique health care needs and issues specific to the transgender community. Improved delineation of NANDA I nursing diagnoses clearly differentiate NANDA diagnoses from collaborative problems. New photos and drawings show patient care skills as well as the latest in nursing education and practice.
