how does the gospel relate to a pluralist society what is the christian message in a society marked by religious pluralism ethnic diversity and cultural relativism should christians

encountering today's pluralist society concentrate on evangelism or on dialogue how does the prevailing climate of opinion affect perhaps infect Christians' faith these kinds of questions are addressed in this noteworthy book by Lesslie Newbigin a highly respected Christian leader and ecumenical figure Newbigin provides a brilliant analysis of contemporary secular humanist pluralist culture and suggests how Christians can more confidently affirm their faith in such a context while drawing from scholars such as Michael Polanyi Alasdair MacIntyre Hendrikus Berkhof Walter Wink and Robert Wuthnow the Gospel in a pluralist society is suited not only to an academic readership this heartfelt work by a missionary pastor and preacher also offers to Christian leaders and laypeople some thoughtful helpful and provocative reflections

should people with deeply held objections to certain practices be allowed to opt out of involvement with them should a Christian baker who objects to homosexuality be allowed to deny service to a customer seeking a cake for a gay wedding should a Catholic nurse be able to refuse to contribute to the provision of abortions without losing her job the law increasingly answers no to such questions but David Oderberg argues that this is a mistake he contends that in such cases opting out should be understood as part of a right of dissociation and that this right needs better legal protection than it now enjoys

the politics of pluralism has long been an intractable characteristic of American public education today perhaps more so than ever educators grapple with an awareness of the fact that liberal societies cannot promote a particular vision of the moral life and still respect and uphold the multi-cultural values of a pluralistic society the challenge of pluralism examines the problematic issue of the role of moral education in a pluralistic society the book takes an interdisciplinary focus and contributors include well-known experts in such fields as psychology educational policy studies history of education political history curriculum philosophy of education theology and gender studies the essays delve into the myriad reasons for the moral education controversy and examine how the contemporary debate over the place of moral education in a pluralist society takes place within the larger context of the current arguments over the quality of American education in addition to a historical examination of the values pluralism issue the volume offers critiques of specific educational regimens as they address the problem of moral education this volume offers relevant pertinent discussions that will benefit professional educators social scientists and any individual concerned about the quality of American education and its ability to provide adequate moral and values education contributors Walter Nicgorski Michael W. Apple Rev. Michael Himes Dwight Boyd Ronnie A. F. Blakeney Charles D. Blakeney Daniel K. Lapsley William Reese Michael R. Olneck Ann Diller James W. Fowler and F. Clark Power

in an ever changing and interdependent world diversity has become the norm not the exception our constantly evolving understanding of intercultural communication and its rich complexities calls us to question review and renew our intervention practices intercultural twinnings a commitment for a pluralistic society examines the impact of intercultural twinnings when people of different backgrounds ethnicities languages and religions come into contact with each other in a variety of learning and work environments these twinnings are more than language exchanges because they promote intercultural contacts constructive individual interactions and ultimately more harmonious intergroup relations whether face to face or virtual it is through these exchanges that participants learn from each other and appreciate the challenges and benefits of discovering the other the contributors to this volume explore theoretical models methods and intervention tools to support the work of teachers researchers practitioners and university students

this a study of national identity in a plural society malaysia is a plural society divided by racial linguistic and religious cleavages it had attemptd to forge a national identity overriding these primordial identities this study probes the extent to which national identity exists among these groups it also attempts to detect the relationship between national identity and political attitudes towards the nation and political knowledge

how can we agree to disagree in today s pluralistic society one in which individuals and groups are becoming increasingly polarized by fierce convictions that are often at odds with the ideas of others civil disagreement personal integrity in a pluralistic society shows how we can cope with diversity and be appropriately open toward opponents even while staying true to our convictions this accessible and useful guide discusses how our conversations and arguments can respect differences and maintain personal integrity and civility even while taking stances on disputed issues the author examines an array of illustrative cases such as debates over slavery gay marriage compulsory education for the amish and others providing helpful insights on how to take firm stands without denigrating opponents the author proposes an approach called perspective pluralism that honors the integrity of various viewpoints while avoiding the implication that all reasonable views are equally acceptable or true civil disagreement offers a concise yet comprehensive guide for students and scholars of philosophical or religious ethics political or social philosophy and political science as well as general readers who are concerned about the polarization that often seems to paralyze national and international politics

an overall goal of multicultural education is to help all students develop their potential for academic social and vocational success this text is designed to examine group memberships and ways in which the educator can develop educational programs to meet the needs of those groups and the nation pref

where have political theories gone wrong this is the question nigel walshe grapples with in this book in an age of creeping authoritarianism both from the left and from the right the issues faced in the concept of a plural society are more relevant than ever what is the proper relationship between the state and free associations such as political parties trade unions and voluntary organisations how can socialism and democracy be reconciled how does the power to deselect mps and the methods used by political parties to choose their leaders affect democracy with varied and critical allusions to the works of herbert marcuse v a tumanov enoch powell and the austrian psychologist otto rank the author pleads for a recognition of the essential independence from the state of free associations and sets out the criteria for a free society the ideas in this book are intended as a contribution to a new philosophy of the left the concept of a plural society is not just about politics and law it extends to psychoanalysis and economics and is essential reading for anyone who is concerned with the state of government today book jacket

recognizing the uniquely codified pluralist orientation of early kory society 918 1170 this book presents a radical re evaluation of kory identities and self perceptions which entails far reaching consequences for the understanding of kory history and of its place in east asian history

how do we deal with difference personally interpersonally nationally can we weave a cohesive social fabric in a religiously plural society without suppressing differences this collection of significant essays suggests that to truly honour differences in matters of faith and religion we must publicly exercise and celebrate them the secular sacred public private divisions long considered sacred in the west need to be dismantled if canada or any nation state is to develop a genuine mosaic that embraces fundamental differences instead of a melting pot that marginalizes an ethics of difference starts with a recognition of difference not as deviance or deficit that threatens but as otherness to connect with cherish and celebrate the book begins with the suggestion that our inability to come to terms with social plurality is not fundamentally the fault of religious differences and that a public private split inadequately deals with matters of basic difference it then explores how encouraging people to live out their respective faiths may open new possibilities for respectful honourable and just negotiations of contemporary dilemmas arising out of the multicultural fabric of canadian life towards an ethics of community introduces readers to some of the most challenging and divisive dilemmas we face in this increasingly pluralistic postmodern world issues such as family and domestic violence aboriginal rights homosexuality and public policy and female genital mutilation this is a book truly global in scope and significance
