this unusual book traces the development of the feminist movement in america and to a lesser extent in england the comparison between the movements is enlightening professor o neill starts with mary wollstonecraft and traces the development of the attack on victorian institutions right up to the 1920s and on to the permissive society in which we live but the story covers all facets of the movement the struggle for enfranchisement for property rights and education for working women in industry for temperance and social reform these remarkable women leaders live in these pages but even more in the documents which form the second part of the book here their own voices come to us across the years with

a sincerity which gives life to the language of a past age

in 2003 the united nations u n established the task force on women girls and hiv aids in southern africa which brought together men and women from diverse walks of life who had been making tireless efforts in the fight against hiv aids similarly the efforts of women and girls across southern africa to keep families together and care for the sick cannot be ignored this report documents their realities contents facing realities keeping girls in school keeping schools safe abc plus new approaches to prevention silence and violence women s work caring for those with hiv aids property and inheritance rights access to care and treatment conclusion references illustrations

this project contributes to our understanding of rural midwesterners and farm newspapers at the turn of the century while cultural historians have mainly focused on readers in town and cities it examines midwestern farmers it also contributes to the new rural history by exploring the ideas of hal barron and others that country people selectively adapted the advice given to them by reformers finally it furthers our understanding of american farm newspapers themselves and offers suggestions on how to use them as sources

for too many girls in the world life is brutally difficult even in relatively prosperous countries girls face more challenges are more subject to abuse are less likely to thrive in this practical and hope filled book journalist and advocate dale hanson bourke examines the ways in which so many girls in the world are disadvantaged highlights where progress is being made and offers simple practical steps we can take today to help you can help girls thrive right where you are we all have power through our voices time influence and resources choosing to use that power to help girls can and will make all the difference strong girls strong world is a rallying cry for everyone who wants to understand how the world can be a better place and is willing to take even a small step to help girls soar

adolescent girls wellbeing is under threat they face pressure to achieve academically while simultaneously negotiating a life dominated by social media an unrelenting focus on appearance cyberbullying sexual harassment and ready access to pornography characterised by male violence to women the sociocultural environment presents significant risks for girls mental health yet clinical psychology remains largely focused on the individual cultural factors are also overshadowed by postfeminist forces and a renewed emphasis on biological determinants of psychological sex differences clinical psychology and adolescent girls in a postfeminist era goes back to first principles and revisits the question of the place of nature and nurture in children s development in the light of what we now know about neural plasticity dynamic systems and gender socialisation feminism and its sometimes uncomfortable relationship with psychology is discussed as are the meaning and implications of postfeminism and whether girls

have special strengths practice principles and specific ideas for practice with today's girls are all included finally there is a complementary chapter on working with adolescent boys feminist writings about psychotherapy with women had their heyday some time ago and some see boys as the ones who now need special attention this book contends that the changing pressures of today's western world call for a renewed interest in specialised practice with girls taking account of up to date theories about child development and exploring the idea of expanding clinical practice beyond the individual

the united nations foundation's girl up campaign has been critiqued for depoliticising global and gender inequalities portraying girls from the global south as responsible for lifting entire communities out of poverty and encouraging girls in the global north to see themselves as the saviours of their southern counterparts drawing on focus groups with girl up members from the uk us and malawi this book demonstrates how girls reflect critically on the girl up discourse reject its individualistic vision of girls empowerment and interact with their northern southern counterparts in a spirit of mutual learning and respect its analysis demonstrates how the girls use participation in the campaign to develop their own more complex radical and collective visions of girls empowerment
