author richard a schaefer was a lifelong communicator fascinated by stories and like any good journalist dug for the facts

and verified sources exploring nagging questions such as is creation or evolution more credible based on science and expert opinions this book truly represented a personal passion of looking at all sides of the creation vs evolution issue he called on many experts and theorists including charles darwin himself surprisingly darwin was far more skeptical of his own theories than are many phds today and admitted to significant holes in his logic read for yourself as great thinkers explore the pros and cons of both theories and their variants

includes part 1 number 1 2 books and pamphlets including serials and contributions to periodicals january december
