assessing critical theory today josé maurício domingues emancipation and history focuses on the connection between history and emancipation centering on the trends that structure modernity and may lead us beyond it classical and contemporary sociology and social theory are mobilized to recover a robust theory capable of going beyond recurrent empirical and therefore weaker perspectives in emancipatory thought collective subjectivity and social creativity history and sociology analytical concepts and trend concepts social existential questions the role of equal freedom and of immanent critique secularization capitalism the modern state populism the family and the meaning of citizenship marx weber bhaskar habermas laclau sousa santos and negri are topics and authors that stand out in the book

with our american philosophy and religion series applewood reissues many primary sources published throughout american history through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of americans who came before us

in the fifth volume in the studies in american sociology series stanford m lyman offers commentaries on and critiques of postmodernism poststructuralism and deconstruction posing questions concerning theoretical and epistemological problems arising from what appears to be a nouvelle vague postmodernism poststructuralism and deconstructionism are interrelated aspects of the newest theoretical development in sociology and the social sciences this new wave of thought challenges

virtually all paradigms currently in use in this his fifth volume in the studies in american sociology series stanford m lyman offers commentaries on and critiques of this new perspective posing questions concerning theoretical and epistemological problems arising from what appears to be a nouvelle vague among the basic themes and issues explored are the allegation that modernity has defaulted on the promise of the enlightenment the question of whether the rational basis for knowledge and action is still valid the controversy over the place of metanarratives and macrosociological outlooks and newer concerns over race gender sexual preferences the self and the other professor lyman provides empirically based and historically specific analyses of the relation of the race question to the problem of otherness and to the legal construction of racial identity in american court proceedings focusing on the issues of citizenship affecting european middle eastern and asian immigrants african americans and the special cases of the chinese and native americans he relates major public problems to the modern as well as the postmodern perspectives on justice the debate over assimilation and multiculturalism the dynamics of gender specific emotions as expressed in six decades of hollywood films and the postmodern approach to deviance are each examined he also offers proposals for a social science attuned to but critical of postmodernism and poststructuralism such a sociology might offer a perspective that treats the drama of social relations in the routine as well as the remarkable aspects of everyday life professor lyman provides not only a new understanding of postmodernism but also a program of how to proceed with respect to its challenges

this engaging two volume study urges a balance between theoretical and practical sociology applied sociologists adapt theoretical knowledge to actual human situations using it to formulate social policy investigate domestic and international social problems and create a pragmatic sociology of possibility these essays emphasize the close association of applied sociology with altruism identity formation race and ethnicity they evaluate the empirical truths of sociological theories and examine their relevance for contemporary research poverty demographic issues and social policies framed in the context of globalization each chapter of the study provides some workable guidelines for social scientists policymakers planners administrators and social activists the reader is also introduced to the sophisticated research methods employed in the social sciences excessive theorizing is avoided as modern crises precipitated by war terrorism anarchy and poverty are examined in practical and realistic terms
