set in the mid nineteenth century the action takes place in the northeast the region that spreads from assam to arunachal today the east india company is seeking to make inroads into the region and the local people in particular the abor and mishmee tribes fear their coming and are doing all they can to keep them out of their territories the author takes a recorded historical event the mysterious disappearance of a french priest father nicolas krick in the 1850s and the execution of kajinsha from the mishmee tribe for his murder and woven a gripping densely imagined work of fiction around it and even as the novel tells the story of an impossible journey and an elopement it explores the themes of the lure of unknown worlds the love people have for each other and their land and the forces of history gimur a girl from the abor tribe runs away with kajinsha from the mishmee tribe and they settle down on his land near the tibetan border father krick s attempts to reach tibet to set up a jesuit mission are foiled repeatedly by the local people not because of any personal animus towards the priests or their work but because they feel rightly that once the priests come the british with their guns and their garrisons will follow the story revolves around events in gimur s and kajinsha s villages and is also seen from the point of view of father krick a gentle intelligent man devout but no bigot whose determination to reach tibet no matter what the cost impacts tragically on all those who encounter him

the original edition of exploring the black hills and badlands provided the only detailed coverage of the 115 mile centennial trail and now the revised version includes all of the results of the major relocation project in the northern black hills also featured is the just completed 110 mile george s mickelson rails to trails conversion and a section focusing on family hikes and other information useful to family groups

includes section review of recent geological literature
