the authors show how school leaders can use power tools to coordinate essential school improvement processes improve student achievement and create more effective schools

the first book published about independent school libraries since 1985 this work offers both the independent school library community and the broader school library community a wealth of insights into excellence in library practice independent school libraries perspectives on excellence offers readers

insights into best practices in library services for school communities using examples drawn from independent schools of various sizes descriptions and locations across the united states two overview essays introduce a statistical analysis of independent schools each of the remaining essays provides perspective on a different aspect of library practice including staffing advocacy assessment technology collaboration programs beyond the curriculum intellectual freedom and privacy budgeting accreditation disaster planning and more because independent school librarians work across divisions and without a mandate to adhere to state or national standards they have the freedom to explore and refine best practice in a school library setting fortunately the ideas and methods they have developed many of which are on display here can be applied in any school library

well done excellent for novice teachers progressing through their first year as a current btsa support provider i will give this book to all my new teachers julia dewees english and social science teacher vista del mar middle school san clemente ca the perfect road map for assisting teachers offering a wealth of resources they will need as they embark upon their journeys as beginning teachers donna r bohannon induction staff development coordinator memphis city schools tn the new teacher s handbook for understanding the roles responsibilities and relationships of teaching presenting time tested strategies specifically for new classroom instructors starting strong second edition is the ideal survival guide for navigating through your crucial first year of teaching starting at the beginning the authors offer basic classroom layout suggestions for an optimal learning environment and frameworks any novice teacher can use to establish procedures that promote positive individual and group behavior moving from classroom management to instructional responsibilities this indispensable resource offers clear guidelines for designing curriculum and instruction and methods for effective assessment additional how to features include samples of oral and written communication for parents and colleagues ways to create classroom newsletters techniques for using sites for interactive learning reflection questions for teachers at the end of each chapter with plenty of food for thought ideas to evaluate your own practice this invaluable text helps teachers gain confidence and competence and reduce stress during that all important first year

1977 to present citations to articles from more than 1 000 periodicals in all western languages including all major architectural journals published in the u s and great britain as well as most south american european and japanese architecture related periodicals

here is a book that makes sense of the 1 a riots homelessness tax giveaways and the other big urban issues that are back in the national spotlight in this streamlined and updated new edition of his classic book the dependent city paul kantor now focuses on economic development and social welfare policies to reveal the key dilemmas of american urban politics returning to a political economy theme kantor explores how city governments have struggled to escape and accommodate the reality of their economic dependency in the policies that they ve pursued revisiting cities across the nation kantor finds not only

that they have become more dependent but also that the character of this dependency has changed and deepened exploring local regimes in the frostbelt and sunbelt and in suburbia he finds that they frequently act more like captives of big business rather than as representatives of citizens local attempts to promote social justice increasingly run up against a wall of economic dependency created by federal policies and business power this book signals how american cities can find ways of overcoming this dependency by working together with states and the federal government to promote healthy democratic urban politics the dependent city revisited is an accessible provocative supplement for a wide variety of courses in urban studies and political economy as well as stimulating reading for anyone who is interested in understanding america s urban mosaic

cases decided in the united states district courts united states court of international trade and rulings of the judicial panel on multidistrict litigation

publishes interdisciplinary research on issues of government and policy with an international perspective committed to a broad range of policy questions not just those related to government and public policy topics covered include nonstate agents private public collaboration and ngos nongovernmental organisations all areas of economic social and environmental institutions and policy are included disciplines from which papers are derived include political science planning geography economics law sociology and public administration
