creating sigils doesn't have to be difficult sigils are a versatile tool for witches or anyone on a magickal path they can be used in your spellbook on your altar candles for protection and anything else you can think of but it seems so difficult to create them at least it was for me in my practice that is why i designed this book which fits in a standard size traveler's notebook it will guide you through the process of creating a sigil with the help of two tables one for assigning each letter a number and one for creating the actual sigil this book follows a five step process to create a sigil first you write your intention in the second step cross out every vowel and every repeating letters in the third step you exchange the letters into the numbers from the table in the book in the fourth step you connect the number in the numbers table to create your sigil's basic design in the last step you decorate the sigil and change it the way you like it there is no right or wrong way to draw it the magic in the sigil comes from you this book fits in a traveler's notebook however please note that this is not the typical refill booklet with thread stitching but a small bound book measuring 4 3/8 x 8 1/2 in product details 60 pages with the five steps of creating a sigil using tables handy format 4 3/8 x 8 1/2 in shiny durable and flexible cover also looks good on its own great gift for all fans of sigils and magick witchcraft

recharge and enhance your magical practice by returning to the source of the entire esoteric tradition the shamanism of the ancient hunters and gatherers this book introduces you to the fundamental neo shamanic techniques that produce immediate results shamanic practice is a tremendous aid in self healing and personal growth it also produces euphoria by releasing beta endorphins an effective antidote against depression

a sigil is an intensely powerful magickal symbol that can help manifest your desires ward off evil and add deeper levels of meaning to your spells sigil craft is witch and artist lia taylor's must have guide to creating sigils including step by step

instructions using various methods including the magic square and austin osman spare as well as an overview of sigils throughout history from medieval grimoires and prehistoric cave paintings to the graphic novels of grant morrison taylor shares how to charge your sigils incorporate them into your creative endeavors and heighten the power of your sigils through the shoaling technique

this book grew unintentionally out of my work with sigils which i ve been making for over 10 years sometimes the sigils start with a specific purpose in mind i want to travel i need to find something i need direction on a decision i have to make and sometimes the sigil comes from the need to simply do something creative one day i decided to make a sigil to generate prosperity through my creativity one thing led to another and that sigil became the image on my business card other sigil designs followed that became artwork just for the sake of creating artwork some of the sigils inspired jewelry designs at some point i took stock of at all the work i had done and realized i had enough to fill a book that s how this book was born i believe that almost everyone is creative but i think most people equate creative with artist and so don t believe they re creative if they re not making art this book shows you how to wake up your dormant creativity to do whatever it is you like to do best cook decorate build models or robots write dance etc if you already create art but find yourself uninspired by a blank page canvas or otherwise need a boost this book can help you too in the art of sigils i show you my designs and give you a look inside my process so you too can find inspiration
