since its identification in 1981 the rhetorical presidency has drawn both defenders and critics chief among those critical of the practice is political theorist jeffrey k tulis whose 1987 book the rhetorical presidency helped popularize the construct and set forth a sustained analysis of the baleful effects that have allegedly accompanied the shift from a constitutional presidency to a rhetorical one tulis locates this shift in the presidencies of theodore roosevelt and woodrow wilson arguing that the rhetorical presidency is a twentieth century phenomenon yet not all scholars agree with this assessment before the rhetorical presidency is an attempt to investigate how u s presidents in the nineteenth century communicated with their publics both congressional and popular in part 1 martin j medhurst mel laracey jeffrey k tulis and stephen e lucas set forth differing perspectives on how the rhetorical presidency ought to be understood and evaluated in part 2 eleven scholars of nineteenth century presidential rhetoric investigate the presidencies of martin van buren john tyler james k polk franklin pierce james buchanan andrew johnson ulysses s grant rutherford b hayes benjamin harrison grover cleveland and william mckinley as the first volume ever to focus on nineteenth century presidents from a rhetorical perspective before the rhetorical presidency examines administrations policies and events that have never before been subjected to rhetorical analysis the sometimes startling outcomes of these investigations reveal the need for continuing debate over the nature practices and effects of the rhetorical presidency in a brief afterword medhurst raises eight challenges to the original formulation of the rhetorical presidency and in so doing sets forth an agenda for future studies

a dramatic portrait of one of america s most compelling generals and presidents ulysses s grant by pulitzer prize winner ron chernow author of the book on which the astonishing musical hamilton is based as late as april 1861 when the american civil war broke out ulysses s grant was a dismal failure a competent officer in the war against mexico he had resigned from the army over his drinking and had sunk into poverty as a civilian losing all his money in hopeless investments he had failed to secure the command of a volunteer unit and was about to return to his abject life working in his family s leather goods store when he was offered the colonelcy of an illinois regiment less than four years later he was the commanding general of the victorious union armies and was hailed as a military genius he later served two terms as president of the united states this is the epic biography of a very unheroic american hero a modest reticent and principled man who surprised the world and

changed it for the better

in ulysses s grant a bibliography dr kelsey has created an invaluable resource for grant scholars the bibliography consists of twenty chapters covering grant s early life his careers both as soldier and as president his associations with various individuals his post presidency activities the role alcohol played in his life his battle with throat cancer and ultimately his tragic death what makes this book truly special is that kelsey cites not only the usual books and journals but also a wide variety of nontraditional materials ranging from manuscripts to musical scores additionally she has created a list of cited journals with oclc numbers making precise identification of old and obscure journals easy for researchers kelsey s sources are varied and multidimensional she includes scholarly popular and ephemeral works to present the fullest possible picture of the legendary president kelsey also lists many obscure sources on not only grant but also his associates including all his cabinet members the work includes citations about julia dent grant other grant family members grant s cabinet members john rawlins william tecumseh sherman ely parker abraham lincoln libraries of all types could benefit from including this resource in the reference collection the text might get the most use in historical society libraries as well as in the libraries of colleges and universities public libraries and private individuals interested in grant and the civil war would also appreciate the book s comprehensive nature

great military leaders a bibliography with vignettes

the years 1849 1877 were among the most pivotal in the nation s history over the course of three decades the united states endured a catastrophic civil war abolished slavery expanded westward and added eight states to the union and witnessed the beginnings of industrialization in politics the era saw the demise of one national party the birth of another and the historic leadership of abraham lincoln the country also faced difficult questions of state sovereignty and federal responsibility answered ultimately by secession and war in short it was a time of growth consolidation tragedy and triumph for a dynamic and youthful nation this resource of primary documents and commentary covers the taylor through grant administrations by selecting and describing five to ten of the foremost issues of the day and showing the actual text of the president s position along with the opposing viewpoint the presidents from 1849 1877 were men of varied backgrounds and talents northerners and southerners and even northerners with southern sensibilities occupied the white house the period began and ended with war heroes as presidents among the other men who served as president were a former textile worker a country lawyer and lifelong diplomat most of the chief executives struggled and perhaps even failed to overcome the immense challenges placed before them by providing helpful background information and commentary about the presidents and the issues of the day in addition to the primary sources this reference guide accurately depicts this fractious time in the country s past and provides an invaluable resources to any student of american history

vols 65 96 include central law journal s international law list

a new approach to a favorite pastime rating the presidents breaks presidential performance into easily understandable categories and assesses the best and worst

presents the life of each american president discussing the historical background of their time period the accomplishments of their administration and its impact on subsequent historical events

basic biographical information including birth and death dates parent and spouse names career in and out of government and awards and honors is provided for every president vice president and cabinet head of the u s executive branch of government as well as the presidents of the continental congress some bibliographic information is also provided only those individuals who were confirmed in office by the senate have been included both volumes of the set provide listings of officeholders by date and position following the biographical entries appendixes compile information related to other government service military service by branch education place of birth and marital information the material covers the first officeholders of the george w bush administration not including late arrivals to cabinet level office such as john snow or tom ridge annotation c 2003 book news inc portland or booknews com

now in a new fifth edition the american presidency origins and development 1776 2007 winner of the benjamin franklin award for history politics and philosophy examines both the constitutional precepts of the presidency and the social economic political and international conditions that continue to shape it authors sidney milkis and michael nelson analyze the origins of the modern presidency and discuss the patterns of presidential conduct that developed during the nineteenth and twentieth centuries and continue into the twenty first with careful consideration of every presidential administration attention is focused more on how individual presidents shaped the institution and less on the idiosyncrasies of their personalities unlike other texts on the presidency that divide executive politics into discrete topical chapters the american presidency integrates all aspects of the presidency into a dynamic whole and examines the variation of presidential relationships and roles from administration to administration students gain both an understanding of the office as it really exists and a solid historical foundation from which to better appreciate its evolution thoroughly updated the fifth edition provides complete coverage of the george w bush administration up to and including the 2004 and 2006 elections the authors meticulously take into account new research on the presidency while continuing to refine the writing and analysis of what has become a classic in the field

civil war memoir by a member of the confederate senate describing his travels between richmond and texas and analyzing the confederate defeat williamson s oldham stresses the failure of the congress to represent the sentiments of its citizens and the effects of csa political and military measures on the country provided by publisher
