this pioneering book is the first to identify the methods strategies and personal traits of law professors whose students achieve exceptional learning modeling good behavior through clear exacting standards and meticulous preparation these instructors know that little things also count starting on time learning names responding to emails

subverting the narrative that the legal profession must be austere and controlled this prescient how to guide addresses the crucial need for holistic trauma centred law teaching it advocates for a healthier more inclusive profession by identifying strategies to engage and even encourage emotions within legal education

key benefit gives pre and in service educators a concise informative comprehensive guide to the legal issues affecting their daily activities with students and teachers key topics the legal framework of public education tort liability church state relations instruction student expression association and appearance student classifications rights of students with disabilities student discipline terms and conditions of employment teachers substantive constitutional rights discrimination in employment termination in employment legal generalizations selected supreme court decisions market pre and in service educators

the training and development agency s new professional standards for teachers requires an up to date knowledge and understanding of the law but how can you know the law when it keeps changing and how do you apply abstract legal guidelines to real life situations teachers and the law explains the basics and suggests simple strategies to help you understand the law and apply it effectively throughout your career features include real life examples that illustrate how teachers can apply statutory guidelines to everyday interactions with students parents and colleagues covering issues such as equal opportunities and health and safety discussion of how to implement the national curriculum and its assessment procedures in line with statutory requirements a review of employment law for teachers including an examination of teachers pay and rights to preparation planning and assessment ppa an easy to use format that highlights examples and allows practitioners to quickly find relevant passages a useful guide to resources that teachers can consult to stay informed of changes in the law teachers and the

law is a practical guide that doesn't just explain the law it teaches you how to understand it even as it changes and develops it is an indispensable tool for all teachers whether in training just qualified or well established in the profession

this clearly written text which is adapted from its parent volume education law fourth edition provides a concise introduction to topics in education law that are most relevant to teachers the greater the likelihood of litigation or error in a particular area of professional practice the more extensive the discussion topics concerning teacher relationships with their students include student rights discipline negligence discrimination and special education topics concerning teacher relationships with their employers include teacher rights hiring and firing contracts unions collective bargaining and tenure all chapters have been updated to include the case law and legislation of the past five years and the index contains almost 200 more entries than in the third edition because it is concise and affordable a teacher's guide to education law can be used in a variety of courses or in professional seminars dealing with teachers and the law including any course within a teacher education program that is devoted solely or partly to the legal issues that concern teachers

written by an award winning professor with over 25 years of experience this book explains comprehensively the different facets of law teaching from the law teacher's perspective it uniquely covers numerous topics which have been ignored by the legal education literature so far but which are of immense importance for the success of law students law schools and last but not least the day to day work of law teachers themselves these topics include the goals of law teaching the factors that lead to successful law teaching special characteristics of good law teachers different ways of preparing for in class success face to face versus online teaching the in class teaching experience assessments teaching evaluations the design of new courses and programmes the teacher student and the teacher teacher relationship the importance of teaching administration as well as the future of law teaching in the digital age the author approaches various themes from the viewpoint of his own experience he tells his very personal stories of classroom success and failure of enthusiasm fun and disappointments when dealing with law students of accomplishments and frustrations when considering learning outcomes and of surprises when dealing with red tape he thus allows the readership to grasp different aspects of law teaching in a very hands on way and facilitates the understanding of the underlying often rather complex human to human relationships this book should be in the bookshelf of any law teacher as it

covers a wide spectrum of so far unexplored legal education issues it is also an invaluable source at the start of a law teaching career but also for established law teachers who wish to reflect on their own teaching approaches a rich body of cross references to the existing literature makes the book a powerful tool for research on any aspect of legal education last but not least the author's ironic sense of himself and of the law teacher profession makes the book a very entertaining read for anybody who always wanted to know what law teaching really is and is not about

the immense process of economic and social transformation currently underway in china and vietnam is well known and extensively documented however less attention has been devoted to the process of chinese and vietnamese legal change which is nonetheless critical for the future politics society and economy of these two countries in a unique comparative approach that brings together indigenous and international experts asian socialism and legal change analyzes recent developments in the legal sphere in china and vietnam this book presents the diversity and dynamism of this process in china and vietnam the impact of socialism constitutionalism and confucianism on legal development responses to change among enterprises and educational and legal institutions conflicts between change led centrally and locally and international influences on domestic legal institutions core socialist ideas continue to shape society but have been adapted to local contexts and needs in some areas more radically than in others this book is the first systematic analysis of legal change in transitional economies

an invaluable and fascinating resource this carefully edited anthology presents recent writings by leading legal historians many commissioned for this book along with a wealth of related primary sources by john adams james barr ames thomas jefferson christopher c langdell karl n llewellyn roscoe pound tapping reeve theodore roosevelt joseph story john henry wigmore and other distinguished contributors to american law it is divided into nine sections teaching books and methods in the lecture hall examinations and evaluations skills courses students faculty scholarship deans and administration accreditation and association and technology and the future contributors to this volume include morris cohen daniel r coquillette michael hoefflich john h langbein william p lapiana and fred r shapiro steve sheppard is the william enfield professor of law university of arkansas school of law

effective learning and teaching in law will provide all law teaching professionals

with practical authoritative guidance and advice on the successful teaching of their subject in both university settings and as part of professional training and practice written to promote the development of and recognition of the professional role of the law teacher this book will help educators equip law students of law with the intellectual and practical skills required to succeed in their studies key coverage includes assessment the design and planning of learning activities the use of it in legal education and developing suitable learning environments the book is edited by a leading team of legal educators for the uk centre for legal education ukcle at the university of warwick and includes expert contributions from leading figures in the field it will be essential reading for anyone involved with legal education today and will be particularly relevant for those developing their teaching career or seeking professional accreditation

author s names appear in different order in previous ed nelda h cambron mccabe name appears first

this jargon free and easy to understand reference focuses on 200 common legal issues providing school administrators and teachers with authoritative legally defensible approaches for addressing school challenges through the accessible q a format teachers and school leaders can read sequentially or browse for immediate answers on topics such as religious issues individuals rights disciplinary practices morality teacher dismissal liabilities mclb and more practical and concise this guide provides a list of relevant court cases pertaining to each question and answer legal references to guide teachers and school leaders actions a glossary of legal terms a list of selected federal statutes and summaries and conclusions at the end of each chapter the 200 most frequently asked legal questions for educators contains invaluable information to assist educators in performing their duties effectively and in accordance with the law
