in candy gunther brown s view science cannot prove prayer s healing power but what scientists can and should do is study prayer s measurable effects on health if prayer benefits even indirectly then more careful attention to prayer practices could impact global health particuarly in places without access to conventional medicine

pentecostal and charismatic christianity is a global phenomenon that comprises a quarter of the world s two billion christians and is growing rapidly this volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing contrary to popular stereotypes of flamboyant fraudulent anti medical faith healing televangelists who preach a materialistic health and wealth gospel handle serpents or sensationally exorcize demons this book offers a more nuanced portrait the collected essays illumine local

variations hybridities and tensions in practices on six continents and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources this is the first book of its kind achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation this volume s distinguished international team of contributors includes sociologists anthropologists historians political scientists theologians and religious studies scholars from north america europe and africa read together these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today globalization pentecostalism and healing each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways

this book draws on the belief statements and official publications of elim and aog denominations in new zealand from 1990 to 2008 in order to test the extent to which this conviction was adhered to a statement that in order to reach new zealand our methods need to change but not our message provides a framing device inviting the reader to explore their responsiveness to aspects of social change within new zealand before gauging interest in new methodologies known to have impacted pentecostal churches in new zealand during this period actual changes to evangelistic methodology and salvation terminology is presented from the findings of a quantitative study before the salvation message is re examined it will be evident that not only were new methodologies embraced but views on salvation broadened becoming increasingly holistic dynamic and relational

theological dictionaries are foundational to any theological library but until now there has been no global dictionary of theology a theological dictionary that presumes the contribution of the western tradition but moves beyond it to embrace and explore a full range of global expressions of theology the global dictionary of theology is inspired by the shift of the center of christianity from the west to the global south but it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree the editorial perspective of the global dictionary of theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale thus a distinctive feature of the global dictionary of theology is its conversational approach contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited william a dyrness veli matti kärkkäinen juan f martinez and simon chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives pastors theological teachers theological students and lay christian leaders will all find the global dictionary of theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry here is a new launching point for doing theology in today s global context
