clear and accessible this textbook provides a step by step guide to textual analysis for beginning translators and translation students covering a variety of text types including business letters recipes and museum guides in six languages chinese english french german russian and spanish this book presents authentic research based materials to support translation among any of these languages translating texts will provide beginning translators with greater text awareness a critical skill for professional translators including discussions of the key theoretical texts underlying this text centred approach to translation and sample rubrics for self assessment this coursebook also provides easy instructions for creating additional corpora for other text types and in other languages ideal for both language neutral and language specific classroom settings this is an essential text for undergraduate and graduate level programs in modern languages and translation additional resources are available on the routledge translation studies portal [routledgetranslationstudiesportal.com](http://routledgetranslationstudiesportal.com)

this authoritative balanced and accessible reference resource provides readers with a wide ranging survey of capital punishment in america including its history its legal and cultural foundations and racial and economic factors in its application this carefully crafted primer on the history and present state of capital punishment in the united states examines cultural political and legal factors and developments as well as key figures groups and movements by consolidating a wide variety of material into a single convenient source utilizing a rich and varied array of scholarship and primary sources this work examines historical political cultural and legal factors and developments that have shaped the contours of capital punishment throughout american history it examines key figures and organizations who have played pivotal roles in debates over the death penalty provides readers with illuminating coverage of laws cases and the people

involved discusses the experiences of death row inmates and explores questions and controversies revolving around the socioeconomic factors that influence the use of capital punishment

increasing specialization within the discipline of english and american studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts these developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading as a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated methodological and ideological presuppositions the handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from james s the ambassadors to mccarthy s the road these readings do not revert naively to a time before theory instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all levels of qualification

the call to reinvent government to reform the government bureaucracy of the united states resonates as loudly from elected officials as from the public examining the political and economic forces that have shaped the american civil service system from its beginnings in 1883 through today the authors of this volume explain why despite attempts at an overhaul significant change in the bureaucracy remains a formidable challenge
