this 2nd book is a continuation of the 1st book the index at the back of the book is brilliant the contents list at the front of the book is in alphabetical order and is a list of the horses names gives paragraph numbers whereas the index gives the rider owner in alphanumeric order and gives paragraph numbers so if you do not know the name of a persons horse you would look up the person in the index and it would indicate the paragraph numbers to find the answer for instance steptoe and son would be under s in the index and this would lead you to hercules the strong man from greek mythology or toy story 2 would lead you to bullseye books 3 and 4 are in the process of compiling it s a never ending story
