in spite of singapore s small size it has long had a major impact on the world because of its geographical location and its wealth the british initially made the island a major port for the shipping of goods and later as an airline hub for the region these factors along with a steady government have helped to contribute to the country s affluence this multicultural multiracial and multi religious island nation is the envy of many countries in the world which have tried to emulate the economic success of singapore the new edition of the historical dictionary of singapore has been completely rewritten since the first edition was released 20 years ago it relates the history of this country through a chronology an introductory essay an expansive bibliography and over 500 cross referenced dictionary

entries on significant persons events places organizations and other aspects of singapore history from the earliest times to the present

as singapore enters its 50th year of independence it is a good time to reflect on its past as well as look to the future 50 years of singapore europe relations celebrating singapore s connections with europe is one such contribution to the wide collection of books commemorating singapore s 50th birthday the essays and articles in this edited volume capture historical moments reveal the heartfelt wishes and thoughtful comments of europeans who have made singapore their home chronicle some of the long standing partnerships and ponder the future challenges of singapore this unique book contains a wide range of essays and articles reflecting on the strong connections that singapore enjoys with europe not only at the official level but also through the contributions that europeans and european companies have made and continue to make which enrich singaporean society these essays provide a kaleidoscope of views on singapore they explore how close ties and partnerships are forged between nations how businesses see singapore as a trustworthy partner and place to invest and establish roots and at a more personal level the articles also present different perspectives on the strengths and at times the weaknesses of singapore as viewed through the eyes of europeans who live and work in singapore and consider it as their home in commemorating singapore s 50th birthday this book will add to the understanding of the richness and diversity of singapore society and help readers appreciate and reflect on how openness and connectivity have contributed to the success of singapore in its first 50 years

this book overviews singapore s fascinating history from the precolonial era to the present examining this wealthy island nation from economic political cultural and social perspectives singapore is a dominant player in the global economy serving both as an essential business hub for international finance and home to some of the world s most important ports it is also one of the world s smallest and most resource poor countries this book offers an engaging examination of singapore using a theme of globalization to explain how the country s worldwide interactions across centuries have resulted in an ethnically diverse society and allowed it to ascend to a position of being an economic powerhouse every significant historic event and era from its status as a meeting point for traders in the 600s to its colonization by the british in 1819 and from japanese occupation during world war ii to the 2002 arrest of a group of islamic terrorists is covered

michael barr explores the complex and covert networks of power at work in one of the world s most prosperous countries the city state of singapore he argues that the contemporary networks of power are a deliberate project initiated and managed by lee kuan yew former prime minister and singapore s founding father designed to empower himself and his family barr identifies the crucial institutions of power including the country s sovereign wealth funds and the government linked companies together with five critical features that form the key to understanding the nature of the networks he provides an assessment of possible shifts of power within the elite in the wake of lee kuan yew s son lee

hsien loong assuming power and considers the possibility of a more fundamental democratic shift in singapore s political system

in the 50th anniversary year of singapore s independence it is timely to trace our developmental journey in order that young singaporeans students visiting tourists and foreigners working in singapore may be informed about why and how singapore succeeded despite tremendous odds the two volumes relate the developmental stories and secrets of singapore so that other developing countries can be inspired to achieve their own successes it is a story worth telling so that the great achievements by our pioneer generation will be recorded and which may serve as an inspiration to the younger generations to guide them for the next 50 years

this book provides a fresh approach to singapore english by focusing on its cultural connotations the author a native singaporean explores a range of aspects of this rich variety of english including address forms cultural categories particles and interjections and links particular words to particular cultural norms by using the natural semantic metalanguage nsm approach which is free from technical terminology he explains the relationship between meaning and culture with maximal clarity and an added strength of this study lies in its use of authentic examples and pictures which offer a fascinating glimpse of singaporean life through comparisons with anglo english it also explores some difficulties associated with standard english and cultural misunderstanding lending a unique local perspective and written with an incisiveness that makes it ideal for both academic and non academic readers this book will appeal to all those interested in singapore english and its cultural values

professor tan tai yong is the institute of policy studies 6th s r nathan fellow for the study of singapore this book is an edited collection of his six ips nathan lectures delivered between september 2018 and may 2019 and includes highlights of his dialogue with the audience in his lecture series professor tan examines how singapore has evolved over its 700 year history as a regional emporium colonial port city and city state he shows that singapore s history is influenced by the recurring themes of geography movements of people networks and globalisation an understanding of the twists and turns of this long history and the ways in which historical circumstances have shaped singapore s fate and fortunes can offer important insights and a better appreciation of our strengths and challenges as a city state the ips nathan lecture series was launched in 2014 as part of the s r nathan fellowship for the study of singapore it seeks to advance public understanding and discussion of issues of critical national interest for singapore

this book is an historical account of india s relations with singapore which have reached a new peak today it highlights several turning points in that relationship the role of bengal in sir stamford raffles s decision to set up a base in singapore the contribution of indian labour to the construction of singapore the singapore mutiny of 1915 netaji subhas chandra bose s arrival in wartime singapore and the revitalization of the indian national army

independent singapore's early relations with india the dramatic breakthrough in ties created by india's look east policy following the end of the cold war and the arrival of global indians in singapore

this thought provoking book explores strategies employed by singapore a multiracial society to create a singapore nation with an emphasis on the role of landscape as such the authors cast keen eye on religious buildings public housing heritage landscapes and street name changes as tangible methods of nation building in a postcolonial society the authors illustrate how nation and national identity are concepts that are negotiated and disputed by varied social economic and political groups some of which may actively resist powerful state centrist attitudes throughout this work the role of the landscape prevails both as a way to naturalize state ideologies and as a means of providing possibilities for reinterpretation in everyday life

assessments of singapore's history invariably revolve around sir stamford raffles arrival in 1819 before this date we've been told nothing very much appears to have happened in singapore pre 1819 singapore was a sleepy historically insignificant fishing village little more than the occasional resort of pirates this ambitious book co written by four of singapore's foremost historians offers an assertive re evaluation of that view firmly situating singapore's starting point seven hundred years ago drawing on a multi disciplinary range of archival textual and cartographical records as well as the latest archaeological discoveries the authors cast a singular historical trajectory for singapore over the past seven centuries animating its history like never before written in a compelling and accessible manner and richly illustrated with more than 200 artefacts photographs maps art works and ephemera this volume builds upon the foundations of an earlier book singapore a 700 year history extensively rewritten to incorporate ground breaking research findings seven hundred years a history of singapore widens the historical lens and offers a vital new perspective on the story of singapore

from the publisher singapore a biography takes you there to those critical moments in the island's past as captured through the personal accounts of people who actually lived through them encounter violent unrest on the city's streets the jostling down its corridors of power the high life of its up and coming elites and the daily struggles of existence that lay beyond its five foot ways in an epic drama that stretches back over seven centuries grounded in scholarship yet fired by the imagination this book tells a new singapore story one more dramatic complex and engrossing than you might expect singapore was not always the orderly and successful city state that it appears to be now over the last seven centuries the island has undergone several changes of identity in this entertaining and wide ranging account drawn from research undertaken in collaboration with the national museum of singapore mark ravinder frost and yu mei balasingamchow present singapore's mercurial life story as experienced by the people who participated in it singapore a biography brings together a ming dynasty travelogue 19th century memoirs and correspondence modern oral histories and even radio and television broadcasts to

reconnect a contemporary audience with the singapore story while famous names from singapore s past take their place this new story also introduces a cast of lesser known though no less compelling historical personalities from dissenting poets and radical ideologues to patriotic factory workers and early feminists the portrait of singapore that emerges is dashing lively and multi layered and it offers fresh insight into the ruptures and continuities that have made singaporeans and their nation what they are today

singapore the lion city occupies an island at the southern tip of the malaysian peninsula this tiny city state has since becoming fully sovereign in 1965 become one of asia s most vibrant and forward looking nations as befits its position at the crossroads of major transport routes singapore has for centuries been a meeting place of cultures the city s blend of chinese malay indian and european has made it a true multicultural metropolis bustling orchard road with its sleek shopping centres and trendy boutiques is a far cry from the traditional shophouses ethnic neighbourhoods and wetmarkets of old singapore and yet all these strands run together in the weaving of the city s tapestry almost in the shadow of its soaring steel and glass skyline can be found peaceful parks and forests and the world famous singapore zoo renowned for its night safaris an introductory chapter presents information on the landscape flora and fauna history culture people festivals and religions of singapore other chapter cover in detail the major sights and places of interest including nearby islands and excursions to malaysia and indonesia illustrated with photographs specially
