the house of hohenzollern is a dynasty of former princes electors kings and emperors of hohenzollern brandenburg prussia the german empire and romania the family arose in the area around the town of hechingen in swabia during the 11th century and took their name from hohenzollern castle the first ancestor of the hohenzollerns was mentioned in 1061 the hohenzollern family split into two branches the catholic swabian branch and the protestant franconian branch which later became the brandenburg prussian branch the swabian branch ruled the principalities of hohenzollern hechingen and hohenzollern sigmaringen until 1849 and also ruled romania from 1866 to 1947 members of the franconian branch became margrave of brandenburg in 1415 and duke of prussia in 1525

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

excerpt from the house of hohenzollern and the hapsburg monarchy as regards prussia we may speak in a different tone here at least we are not restrained by respect for the sacredness of the head of the german empire the learned minions on the banks of the spree may dream of a great emperor of the house of borussia and proclaim prussian hegemony with all its glorious lordliness but thus far the long fingers of the hohenzollern have not yet succeeded in grasping the crown of charlemagne and dumping it into the same bag with so many polish and saxon jewels it is true that recently many friends of the fatherland have desired the enlargement of prussia and hoped to see in the kings the masters of a united germany about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
