in luke 17 the apostles asked jesus increase our faith he answered that if they had faith like a mustard seed then a tree would obey them this verse is often misunderstood as this book shows the bible s 5 verses about a mustard seed emphasize its growth from a tiny seed into a large plant that provides for others these verses do not teach that a tiny amount of faith does miracles they show faith that grows greatly from its seed like start and show the great growth of the kingdom of god from its tiny start faith is a trusting relationship with god that includes his miracles and much more little faith is being more like a mustard seed than its tree in luke the apostles had mustard seed faith in acts they had mustard tree faith this book shows from luke how god worked to transform their faith into mustard tree faith faithful believers in jesus can see how god works to transform their own faith in the same way and can see how to work with him for this blessing

the cover picture and the title go hand in hand the person who goes out and casts seed has in him the hope that the kingdom of god will be expanded he possesses at minimum faith the size of a mustard seed he believes that the all powerful god whom he serves will release his power in what the picture portrays the servant of god cast the seed not knowing but believing that the purposes of god will become evident why because faith is the substance of things hoped for the evidence of things not seen hebrews 11 1 so in his labors some seed finds residence in a hard and dark heart of stone god is working his miracle of regeneration or drawing that hard hearted individual to himself the seed of the eternal word is cracking and breaking up the hard heart sometimes the person of faith observes something happening he witnesses what was once a hard and depraved heart is now being softened toward god if he is involved in up close evangelism he is blessed to witness the spiritual miracle of salvation as depicted in the picture as becoming a heart of flesh that once hard hearted person is now able to move in god s direction rather than continuing in his own depraved way the eternal seed that has been implanted in the heart

by god now begins to sprout out with life demonstrating the life of the lord jesus christ growing and producing spiritual fruit unto his king this is his reasonable service
