scientific research on the relationship between spirituality religion and mental health has grown exponentially over the past few decades resulting in evidence to suggest that religion and spirituality can both positively and negatively impact mental health shape explanatory models of health and illness and influence help seeking behaviors and engagement with healthcare providers notwithstanding the lack of consensus and undisputed evidence based data on the relationship between spirituality religion and mental health the available evidence demonstrates the need for an increased recognition of the role of spirituality religion in mental health clinical practice and research as such neurotheology is an exciting new approach that may help bridge our understandings of religion health and the overall human condition other researchers prefer to use terms like spiritual neuroscience or neuroscience of religion it is an emerging field of study that seeks to understand the relationship between the brain science and religion it has been argued that mental health care professionals ought to consider discussions around spirituality and religion and establish partnerships with spiritual faith based organizations to avoid alienating those individuals whose belief system are not represented by secular principles some professionals have even called for a bio psycho social spiritual model of mental health to ensure a more holistic approach to treatment given the traditional

unwillingness of the mental health profession to engage with spirituality and religion the relationship between these domains has been characterized by divisions and mistrust this research topic aims to bridge that divide by initiating conversations and contributing to filling this gap in the literature the appropriate understanding and linkage between the brain and faith has an enormous implication on mental health and wellbeing in terms of providing evidence based information policy recommendations healthcare guidelines and final successful implementation mental health initiatives by creating a space to discuss the complexities around the relationship between spirituality religion and mental health the authors wish to add to the evidence based knowledge in the field and pave the road for the application of some of these ideas to clinical practice we invite empirical papers quantitative qualitative mixed methods systematic and narrative reviews and perspectives on the following topics related to spirituality and religion 1 issues related to spirituality religion and therapy mental health 2 bio medical ethical issues 3 spirituality religion and neuroscience changes in mrIs and ct scans when people meditate pray and implications for mh 4 cross cultural issues when working with spirituality and religion cross cultural beliefs towards mental health and treatment modalities 5 comparative and intervention empirical studies 6 brain neuroscience and faith spirituality 7 death near death experience religion and mental health

in the 19th century an era that saw a reconfiguration of the relationship between the self the world and the divine women writers probed the theological depths of embodied faith in new ways through poetry fiction devotional prose and life writing elizabeth ludlow explores how through this process they articulated what it means to pray and thereby understand one's place in a world of individual and communal bodies the eight women writers discussed elizabeth barrett browning josephine butler george eliot elizabeth gaskell dora greenwell felicia hemans adelaide procter and christina rossetti provide accounts of prayer that stress that the only way to experience and respond to something of the transcendent is through embracing lived experience and through a recognition of the connectedness of all bodies in detailing how these writers engage with new ways of thinking about faith desire and the material world ludlow argues that they offer models for ethical modes of being in the world and pave the way for later theologies of embodiment

where christianity errs comprises a group of essays that aim to carefully clearly fairly and without rancor argue that christianity has significantly erred in some of its important beliefs and activities among the topics assessed are original sin prayer faith hell the meaning of life christian apologetics christian ethics christianity and politics and christianity and atheism this book contains novel arguments and insights that will be of interest to non specialists as well as those who have some background in religion and the philosophy of religion

welcome to the second book in the series on biblical christianity not wanting to lay again the foundation of repentance towards dead works i hope this book will be an encouragement to move on towards perfection with that in mind how then should we live what does god require of us micah 6 8 condenses the ten commandments down to just three points telling us we must do justice love mercy and walk humbly with god in the gospel of matthew jesus christ further condenses these three points to just two love god and love your neighbor the whole of the law and the prophets hang on just these two commandments therefore if you are living these two commandments you fulfil the whole of the law how many christians can say they live out these two commandments if they did they would never refuse to forgive anyone they would never seek vengeance and they would never be guilty of treating people differently however when push comes to shove many people seem to say one thing while doing another surely the proof of a persons forgiveness is that they don t treat people differently certainly something to think about the main focus of this book will be living your life within the will of god i hope it s a blessing to you jesus said unto him thou shalt love the lord thy god with all thy heart and with all thy soul and with all thy mind this is the first and great commandment and the second is like unto it thou shalt love thy neighbour as thyself on these two commandments hang all the law and the prophets matthew 22 37 40 paperback available via amazon books supporting website itl.atwebpages.com
