backpacker brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often the authority on active adventure backpacker is the world's first gps enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish backpacker's editors choice awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured

morality is pervasive touching all aspects of social life the contributors to this volume provide an introduction to research on how morality is socially constructed in and through discourse and the implications of this for the empirical analysis and theorization of morality the volume addresses both how morality gets done through everyday practices as well as the practical concerns that discussions of morality inevitably entail it does so by delving into how morality is socially constructed in an array of communicative environments through the lens of a range of different discourse analytic traditions drawing on the conceptual tools of moral stance positioning responsiveness and authority the chapters address the ways in which morality is enacted interactionally negotiated contested and policed what emerges from these discussions and analyses is an understanding of morality from a discursive perspective that encompasses both morality as action in which moral stances become the articulated object of action and

moral framing in which the situated context itself is morally charged for evaluation
