the second edition of literary criticism by charles e bressler is designed to help readers make conscious informed and intelligent choices concerning literary interpretation by explaining the historical development and theoretical positions of eleven schools of criticism author charles bressler reveals the richness of literary texts along with the various interpretative approaches that will lead to a fuller appreciation and understanding of such texts

this sophisticated and wide ranging look at literary criticism addresses the major theorists of today and proposes a constructive approach to challenging critical debates disclosing conflict as the inevitable outcome of historical change suresh raval refuses the stark either or choice between the foundationalist stance which seeks to find the right answers and the relativist

position which denies the possibility of identifying right and wrong raval explores the question of conflict in literary criticism and theory by analyzing how different theories have treated key issues not to resolve these problems but to show why they resist decisive solution

advanced students of literary criticism would definitely find this book stimulating as well as illuminating as it presents a penetrating analysis of the major theories and practices of all the dominant groups of literacy critics of our times in the course of the critical survey of the critical principles and methods of all the major cities the chicago critics attempt a critique of contemporary criticism in their monumental work critics and criticism essays in method of the chicago critics hence the focus of this book is on the pluralistic approach of these critics who were aware of the powers and limitations of all the critical methods each critical method even the aristotelian method for which they developed a bias addresses a certain range of questions beyond which it loses its utility no critical method as they point out is all embracing critical system of critical philosophy critics having exclusive commitment to a particular critical system are bound to be partial critics so a pluralistic approach should be the ideal one but in order to be a pluralistic critic a student of literary criticism must be conversant with all the major critical approaches the present book is significant in the sense that it has the capacity to train teachers and students of literature in the art of literary appreciation that enhances the enjoyment of literary works since every literary piece is a constructed whole aristotle s method provides clues to its specific constructive principle through a process of regressive reasoning the aposteriori approach the special discussion of the chicago method in this book explains the aristotelian bias of the chicago critics who were actually neo aristotelians in a limited sense they began where aristotle left off to pursue similar lines of study in the poetics of modern literature as the chicago school of criticism is a brilliant exercise in remedial criticism this book may serve as materia medica of critical theories and practices for students and teachers of literary criticism

fresh original and compelling an introduction to literature criticism and theory is the essential guide to literary studies starting at the beginning and concluding with the end the book covers topics that range from the familiar character narrative the author to the more unusual secrets pleasure ghosts eschewing abstract isms bennett and royle successfully illuminate complex ideas by engaging directly with literary works so that a reading of jane eyre opens up ways of thinking about racial difference whilst chaucer raymond chandler and monty python are all invoked in a discussion of literary laughter each chapter ends with a narrative guide to further reading and the book also includes a glossary and bibliography the fourth edition has been revised to incorporate two timely new chapters on animals and the environment a breath of fresh air in a field that can often seem dry and dauntingly theoretical this book will open the reader s eyes to the exhilarating possibilities of both reading and studying literature
