in 1902 when Lt ridley mclean first wrote this sailor s bible he described it as a manual for every person in the naval service one hundred years later it continues to serve as a primer for newly enlisted sailors and as a basic reference for all naval personnel from seaman to admiral new technology is artfully blended with ancient heritage facts and figures are augmented by helpful advice and the mysterious language of the sea is preserved and deciphered in a volume that has served the united states navy for an entire century updated throughout the book provides the latest navy ratings uniforms ships aircraft and weapons as well as current navy policies on hazing fraternization education and physical fitness and a completely new chapter explaining the navy s mission in terms of its rich heritage

in the u s navy wheel books were once found in the uniform pockets of every junior and many senior petty officers each small notebook was unique to the sailor carrying it but all had in common a collection of data and wisdom that the individual deemed useful in the effective execution of his or her duties often used as a substitute for experience among neophytes and as a portable library of reference

information for more experienced personnel those weathered pages contained everything from the time of the next tide to leadership hints from a respected chief petty officer to the color coding of the phone and distance line used in underway replenishments in that same tradition the new naval institute wheel books will provide supplemental information pragmatic advice and cogent analysis on topics important to all naval professionals drawn from the u s naval institute s vast archives the series will combine articles from the institute s flagship publication proceedings selections from the oral history collection and from naval institute press books to create unique guides on a wide array of fundamental professional subjects leadership is vital to any highly functioning organization the naval institute has devoted countless pages of its publications to the subject of naval leadership providing start up guidance to neophytes giving voice to the accumulated wisdom and experience of those who have led and serving as a forum in search of answers to the many questions that have always been a part of this vital but sometimes elusive practice in the pages of this book are some of the most outstanding examples of this wealth of knowledge gathered for use by both would be and seasoned leaders in the never ending quest for strong and effective leadership

from the days of oars and coal fired engines to the computerized era of the 21st century the bluejacket s manual has been an essential part of the american sailor s sea bag for over one hundred years serving as an introduction to the navy for new recruits and as a reference book for sailors of all ranks written by a sailor whose decades of naval service included sea duty in patrol craft destroyers cruisers and aircraft carriers as both an officer and a white hat this newest edition has been overhauled to reflect the current state of the ever evolving united states navy and includes chapters on ships and aircraft uniforms weapons damage control communications naval customs and ceremonies security leadership pay and benefits naval missions military fundamentals and seamanship unique to this latest edition is the creation of an accompanying website that will serve to keep the book current and provide valuable supplementary material as well as an improved organization that better fulfills the dual roles of primer and reference in total this latest edition of a recognized navy classic continues to serve today s bluejackets and old salts in the traditional manner while providing a fresh approach that will be welcomed by potential recruits navy buffs and a growing number of bluejacket manual collectors

drawing upon both jewish and christian scriptures this book lays a groundwork for understanding how grace is a critical element of leadership and followership studies this volume divided into three sections begins by defining the concept of grace leadership using biblical examples part two discusses how grace leadership develops while the last part of the book offers contemporary examples of leaders displaying grace to their employees with cases from the military as well as organizational perspectives this edited collection adds a new wrinkle to the leadership literature and will appeal to scholars in hrm and organizational studies

february issue includes appendix entitled directory of united states government periodicals and subscription publications september issue includes list of depository libraries june and december issues include semiannual index

includes annual report of the boy scouts of america
