above all romans is a letter about spirit enabled participation and transformation in christ and his story and thus in the mission of god in the world this commentary engages the letter to the romans as christian scripture and highlights the pauline themes for which michael gorman is best known participation and transformation cruciformity and new life peace and justice community and mission with extensive introductions both to the apostle paul and to the letter itself gorman offers background information on paul s first century context before proceeding into the rich theological landscape of the biblical text in line with paul s focus on christian living

gorman interprets romans at a consistently practical level highlighting the letter's significance for christian theology daily life and pastoral ministry questions for reflection and sidebars on important concepts make this especially useful for those preparing to preach or teach from romans the epistle of life as gorman calls it for its extraordinary promise that through faith we might walk in newness of life with christ

ray s anderson lays out a new and renewing theological foundation for engaging in christian ministry illuminated by discussion and case studies he shows how a biblically informed approach addresses real issues in christ's power

this volume focuses on a central question what does a person need to know for developing a theology in other words this book will not only answer objections lodged against the study of theology but will explain to students pastors and laypersons alike what a theologian actually does it will also present different approaches to the study of theology and review the present status of theological reflection in various protestant orthodox and roman catholic traditions in the first section of the book evangelical protestant scholars describe the contributions various disciplines make to the study of theology in the next section evangelical protestant scholars explain the distinctives of their particular tradition's approach in doing theology in the third part theologians who do not identify with evangelical protestant convictions seek to explain the distinctives of their approaches to doing theology in the final section dr kantzer provides a summary analysis of how he does theology and interacts critically with a number of the essays in this volume among the contributors are gordon d kaufman schubert ogden j i packer john meyendorf richard a muller orlando costas rosemary radford ruether gerald sheppard harold o j brown john yodel and d a carson book jacket title summary field provided by blackwell north america inc all rights reserved

the purpose of this book is to combine perspectives of scholars from africa on child theology from a variety of theological sub disciplines to provide some theological and ministerial perspectives on this topic the book disseminates original research and new developments in this study field especially as relevant to the african context in the process it addresses also the global need to hear voices from africa in this academic field it aims to convey the importance of considering africa's children in theologising the different chapters represent diverse methodologies but the central and common focus is to approach the subject from the viewpoint of africa's children the individual authors varied theological sub disciplinary dispositions contribute to the unique and distinct character of the book almost all chapters are theoretical orientated with less empirical but more qualitative research although some of the chapters refer to empirical research that the authors have performed in the past most of the academic literature in the field of child theologies

is from american or british european origin the african context is fairly absent in this discourse although it is the youngest continent and presents unique and relevant challenges this book was written by theological scholars from africa focussing on africa s children it addresses not only theoretical challenges in this field but also provides theological perspectives for ministry with children and for important social change written from a variety of theological sub disciplines the book is aimed at scholars across theological sub disciplines especially those theological scholars interested in the intersections between theology childhood studies and african cultural or social themes it addresses themes and provides insights that are also relevant for specialist leaders and professionals in this field no part of the book was plagiarised from another publication or published elsewhere

evangelical theology is a systematic theology written from the perspective of a biblical scholar michael f bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy the evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood using the gospel as a theological leitmotif an approach to christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian according to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of christian life the text features tables sidebars and questions for discussion the end of every part includes a what to take home section that gives students a run down on what they need to know and since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional comic relief sections so that students may enjoy their learning experience through some theological humor added for good measure

the theology of struggle is a genuinely popular fillipino theology rooted in the history and culture of a people who have endured colonial oppression at the hands of spain north america and japan as well as neo colonialism and home grown dictatorship because christianity has played a role in assisting the history of oppression in the phillippines a theology of struggle must include a struggle in theology to wrest christian symbols from the hands of the oppressors and return them to the poor this theology which is otherwise expressed in articles poems art and action receives its first systematic treatment in toward a theology of struggle in part on fernandez establishes the historical and cultural context out of which the theology of struggle has emerged part two represents fernandez s own constructive work in which he shows how a theology of struggle must address the quest for identity and peoplehood in part three fernandez explores the question of theological method outlining the areas of convergence and distinction between the theology of struggle and other third world theologies as well as setting forth the distinctive challenge that this theology of the philippines poses to

the authority and dominance of western theology as a whole

in this engaging text darren marks provides a refreshing introduction to christian faith that will be of special interest to university and seminary students innovative in his organization marks explores seven key doctrines and highlights the profound interconnections among them in a way that points us beyond the mere theological formulations to the living god of the bible engaging academic discussions of the past and the present marks contextualizes these doctrines and shows their meaning for the day to day life of a faith community including illustrative narrative callouts and study questions this book ultimately aims to inspire illuminate and encourage christians toward a vital and relevant life of worship discipleship and mission

in theology and the social consciousness henry churchill king presents a thought provoking exploration of the intersections between theological inquiry and social issues this seminal work grounded in the early 20th century context of rapid industrialization and social change employs a clear yet nuanced literary style that encourages reflection on the moral responsibilities of individuals and communities king deftly navigates the complexities of theology advocating for a perspective that integrates faith with the pressing social consciousness of his time which includes issues of justice equality and ethical responsibility henry churchill king was an influential theologian and educator known for his commitment to integrating christian thought with contemporary social challenges his background in philosophy and his role as president of oberlin college uniquely positioned him to critique the assumptions of both traditional theology and emerging social movements king's experiences in a rapidly evolving society profoundly shaped his perspective leading him to argue for a theology that actively engages with the world's struggles and aspirations this book is highly recommended for readers interested in the development of social theology and its relevance today king's insights resonate with contemporary discussions about faith's role in social justice movements making this work not only a historical artifact but also a crucial text for modern believers and scholars alike

the art of preaching a theological and practical primer explores the theological understanding of the homily lessons from classical and contemporary rhetoric the relevance of preaching for the life of the church highlighting recent teachings of the magisterium and it presents the incarnation as the foundation for preaching understood as an essential aspect of the priestly life and mission this primer offers a simple and effective method for the preparation and delivery of homilies the book also provides a selection of homilies from the great preachers of the church organized chronologically with brief introductions and commentaries that highlight what those homilies teach us for preaching today

focuses on the concept of communion with god in the work of puritan theologian john owen covering key areas such as anthropology the incarnation the trinity and the lord s supper

a theological and dogmatic exploration of the christian life for students of systematic and practical theology

john thornhill 1929 2019 born in brisbane australia was educated at marist brothers ashgrove and st john s college woodlawn nsw after entering the society of mary marist fathers he was chosen for doctoral studies and ordained in rome in 1955 john s life was mainly in theological ministry in teaching and guiding seminary students as an author theological consultant and in adult faith education he was in turn superior of the marist seminary director of sydney s aquinas academy a member of the provincial council he published books and many articles he had a special interest in the church christology the faith culture relationship all within an overall pastoral framework this collection of articles captures the scope and development of his theological concerns over many years especially valuable and illuminating is the opening chapter in which we are invited to share with john as he reflects on his theological journey john thornhill sm was one of australia s most distinguished and respected theologians known and loved for his dedication to the catholic community his gentleness and kindness and his zeal for the gospel apart from his several books including sign and promise a theology of the church for a changing world 1988 and making australia exploring our national conversation 1992 john contributed many articles to theological debate and thomas ryan sm and atf press have done us and john s legacy a fine service in gathering together some of these articles in this volume the essays collected here bear witness to key concerns of john s theological and pastoral work the centrality of jesus and his gospel the proclamation of the good news to christian faith ecumenism including a grateful recognition of protestantism s emphasis on the gospel of salvation awareness of cultural and historical circumstances and the imperative for the church to understand and creatively respond to the concrete contexts that its members inhabit the centrality of scripture to christian faith and the importance of a theology of scripture in the life of the church a theology that engages at the highest intellectual level with key currents of thought and as an open orthodoxy is receptive to whatever is true and life giving in them this collection reveals the heart of john s theological vocation to bring thought and scholarship to the service of believers to enable the gospel to come alive in their midst john s marist charism emphasises a quiet receptive presence to god in these articles we are given some of the fruits of his own attentive presence for the sake of serving and accompanying the pilgrim church

the revised edition of a theology for the church retains its original structure organized under these traditional theological categories revelation god humanity christ the holy spirit salvation the church and last things each chapter within these sections contains answers

to the following four questions what does the bible say what has the church believed how does it all fit together how does this doctrine impact the church today contributions from leading baptist thinkers r albert mohler jr paige patterson and mark dever among others will also appeal to the broader evangelical community included in this revision are new chapters on theological method from a missional perspective bruce ashford and keith whitfield and theology of creation providence and sabbath that engages current research in science and philosophy chad owen brand chapters on special revelation david dockery and human nature john hammett have also been updated

through dialogue with moltmann pope john paul ii and others this book develops a genitive theology of work presenting a theological definition of work and a model for a theological ethics of work that shows work nature value and meaning now and eschatologically work is shown to be a transformative activity consisting of three dynamically interrelated dimensions the instrumental relational and ontological

do you struggle to connect the dots between the bible and your life while christians instinctively want to apply scripture we encounter difficulties that can discourage us and diminish our engagement with god s word indeed biblical application has suffered in various ways in the church everything from neglect to abuse to contempt responding to such challenges beyond chapter and verse provides a biblically based rationale for the practice of application and then proposes a biblically consistent method for application the book is substantive but accessible relevant for believers generally as well as preachers it begins by sketching the broad theological context of bible application relating it to the gospel generally and to sanctification specifically the heart of the study then synthesizes key old and new testament passages relative to the process of application building on this foundation the book sets forth a sensible approach for arriving at legitimate applications of scripture a rich assortment of positive and negative case studies illustrates the method motivating believers to apply the scriptures for themselves many christians have a problem with the christian life for some christianity is just a set of beliefs and for others a rigid set of standards there is in the gospel a dynamic to energize and guide life along the proper paths god has given his word to point his people to the way of piety casillas has charted a course showing how the truths of the bible must translate to life he effectively shows that christianity is not just a religion it is a way of life michael p v barrett vice president for academic affairs puritan reformed theological seminary how can an ancient book like the bible guide us through the complexities of contemporary life this is the question that ken casillas answers and he does a fine job this is an unusual book and one that is unusually insightful casillas challenged my thinking and he fed my soul kevin bauder research professor of systematic theology central baptist theological seminary minneapolis casillas wrote this book with the heart of a pastor and with the biblically based

conviction that christ saves believers not only from god s wrath but in order that we may increasingly image god s holiness beyond chapter and verse supplies christians with a theological framework and method for applying scripture to our everyday lives he suggests that our interpretive quest is to distinguish the time bound elements from the timeless truths and he supplies a host of old and new testament examples that model an approach to scripture that takes seriously the power of the gospel to save past present and future he helpfully distinguishes his approach from legalism defines christian liberty and saturates his discussion with rich and careful biblical exposition this thoroughly researched book is worshipful and will help those of us in christ become more who we already are and who christ saved us to be jason s derouchie professor of old testament and biblical theology bethlehem college and seminary many of our problems in the christian life are problems of how to apply scripture to ourselves ken casillas helps us with a comprehensive study of the nature of application including many specific examples he shows how biblical writers themselves apply god s word and how we in turn ought to do it the book is based on a strong view of scripture s authority and sufficiency and it shows a deep insight into the real problems we face in our walk with god casillas is especially concerned with sanctification the doctrine of how the spirit and the word conform our lives to christ i hope that the book will gain a wide readership and thus be a great blessing to the church john frame professor of systematic theology and philosophy emeritus reformed theological seminary if you haven t encountered difficulties in applying the b

this book brings the emerging fields of practical theology and theology of the arts into a dialogue beyond the bias of modern systematic and constructive theology the authors draw upon postmodern post secular feminist liberation and dialogical dialectical philosophy and theology and their critiques of the narrow modern emphases on reason and the scientific method as the model for all knowledge such a practical theology of the arts focuses the work of theology on the actual practices that engage the arts in their various forms as the means of interpreting and understanding the nature of the communities and their members as well as the mechanisms through which these communities engage in transformative work to make persons and neighborhoods whole this book presents its theological claims through the careful analysis of several stories of communities around the world that have engaged in transformational practices through a specific art form investigating communities from europe the middle east south america and the u s the case studies explored include jewish christian muslim druze indigenous and sometimes agnostic subjects involved in visual art music dance theatre documentary film and literature theology and the arts demonstrates that the challenges of a postmodern and post secular context require a fundamental rethinking of theology that focuses on discrete practices of faithful communities rather than one dimensional theories about religion
