who needed a heart and a scared lion who needed guts everyone in this story needed something they thought that if they went to see the great wizard of oz he could make their wishes come true so they set out together to find him along the way they ran into a lot of trouble and resistance but they didn t give up or lose sight of their goal dorothy noticed that as they went through oz she was getting stronger and surer of herself and this trend kept going she learned more about how important company is how important patience is and how strong it is to believe in one s own skills in the end they made it to the emerald city which people thought was where the famous wizard of oz lived they were given the chance to talk to the wizard who was a strong and scary person but as they talked with the wizard longer they realized he wasn t who he seemed to be the wizard was just an ordinary person who used sleight of hand to make it look like he was a powerful magician
