this book's contributors explore key issues in the current state of their disciplines in light of crucial moments in each discipline's
recent or longer term history

this multidisciplinary investigation facilitates a new conversation between Ricoeur scholars and those working in a variety of domains
while a number of books and anthologies on Ricoeur's thought have been published over the past decade Ricoeur across the
disciplines is unique in its multidisciplinary scope the books currently on the market are typically one of either two kinds either they
provide a general overview of Ricoeur's thought or they focus on a narrow set of themes within a specific discipline cf list of
competing titles while other books may allude to the multidisciplinary potential for Ricoeur's thought this book is the first to carry out a
truly multidisciplinary investigation of Ricoeur's thought the aim of this multidisciplinary investigation is not only to draw out the
nuances of Ricoeur's thought but also to facilitate a new conversation between Ricoeur scholars and those working in a variety of
domains
