Christianity regards teaching as one of the most foundational and critically sustaining ministries of the church as a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries in the encyclopedia of Christian education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards this encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten with an editorial advisory board of more than 30 distinguished scholars and five consulting editors the encyclopedia of Christian education contains more than 1 200 entries by 400 contributors from 75 countries these volumes covers a vast range of topics from Christian education history spanning from the church's founding through the middle ages to the modern day denominational and institutional profiles intellectual traditions in Christian education biblical and

theological frameworks curricula missions adolescent and higher education theological training and christian pedagogy biographies of distinguished christian educators this work is ideal for scholars of both the history of christianity and education as well as researchers and students of contemporary christianity and modern religious education

the lives of christian churches are shaped by doctrinal theology that is they are shaped by practices in which ideas about god and god s ways with the world are developed discussed and deployed this book explores those practices and asks why they matter for communities seeking to follow jesus taking the example of the church of england this book highlights the embodied affective and located reality of all doctrinal practices and the biases and exclusions that mar them it argues that doctrinal theology can in principle help the church know god better even though doctrinal theologians do not know god better than their fellow believers it claims that it can help the church to hear in scripture challenges to its life including to its doctrinal theology it suggests that doctrinal disagreement is inevitable but that a better quality of doctrinal disagreement is possible and finally it argues that by encouraging attention to voices that have previously been ignored doctrinal theology can foster the ongoing discovery of god s surprising work

official organ of the book trade of the united kingdom
