the american transcendentalists essential writings modern library classics paperback january 10 2006 by ralph waldo emerson transcendentalism was the first major intellectual movement in u s history championing the inherent divinity of each individual as well as the value of collective social action in the mid nineteenth century the movement took off changing how americans thought about religion literature the natural world class distinctions the role of women and the existence of slavery edited by the eminent scholar lawrence buell this comprehensive anthology contains the essential writings of ralph waldo emerson henry david thoreau margaret fuller and their fellow visionaries there are also reflections on the movement by charles dickens henry james walt whitman louisa may alcott and nathaniel hawthorne this remarkable volume introduces the radical innovations of a brilliant group of thinkers whose impact on religious thought social reform philosophy and literature continues to reverberate in the twenty first century we are delighted to publish this classic book as part of our extensive classic library collection many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public the aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades the contents of the vast majority of titles in the classic library have been scanned from the original works to ensure a high quality product each title has been meticulously hand curated by our staff our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work we hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

an ecology of communication addresses an ecological and communicative dilemma the universe earth and socio cultural life world are resoundingly dialogic yet we have created modern and postmodern cultures largely governed by monologue this book is indispensable reading for scholars and students of communication ecology and social sciences as it moves readers beyond the anthropocentric bias of communication study toward a listening based model of communication an essential move for discerning fitting responses and the call to responsibility in an age of ecocrisis

the female performer with a public voice constitutes a remarkably vibrant theme in british and american narratives of the long nineteenth century the tension between fictional female performers and other textual voices can be seen to refigure the cultural debate over the voice of women in aesthetically complex ways by focusing on singers actresses preachers and speakers this book traces and explores an important tradition of feminine articulation drawing on critical approaches in literary studies gender studies and philosophy the book conceptualizes voice for the discussion of narrative texts examining voice both as a thematic concern and as an aesthetic effect the individual chapters analyse how the actual articulation by female performers correlates with their cultural visibility and agency what this study foregrounds is how women characters succeed in making themselves heard even if their voices are silenced in the end

one afternoon in 1836 the transcendental club held its first meeting in boston the membership was noteworthy not only for the list of impressive personages headed by emerson but for the general youthfulness of the group thoreau was only twenty two and for the fact unusual for the day that several women were invited to attend the club consisted mainly of bright young unitarians seeking to find meaning pattern and purpose in a universe no longer managed by a genteel and amiable unitarian god the club met irregularly for three years and then passed into oblivion the intellectual activity it

engendered continues to affect american thought and values even today the transcendentalists concerned themselves with problems of law truth individuality theology mysticism pantheism and personality to mention only a few moreover they were prolific writers and produced reams of letters essays poems sketches and memoirs historian paul bollinger traces the movement from its earliest stirrings through its height as a powerful movement to its decline in the aftermath of the civil war whenever possible he lets the transcendentalists speak for themselves he sorts the permanent from the transient and demonstrates the immeasurable importance of a body of ideas which still live a century and a half after their inception from publisher description
