the first of two novellas set in the world of kiera cass s no 1 new york times bestselling selection series prince maxon s story

A New York Times bestselling author of the Selection series, Kiera Cass is back with her most epic novel yet, *The Elite*. A sweeping enemies-to-lovers standalone romance, *The Elite* sounds like a thousand heartbeats happening at the same time. Princess Annika has lived a life of comfort, but no amount of luxuries can change the fact that her life isn't her own to control. The king, once her loving father, has gone cold, and Annika will soon be forced into a loveless marriage for political gain. Miles away, small comforts are few and far between for Lennox. He has devoted his life to the Dahrainian army, hoping to one day help them reclaim the throne that was stolen from them. For Lennox, the idea of love is merely a distraction. Nothing will stand in the way of fighting for his people, but when love, against all odds, finds them both, they are bound by its call. They can't possibly be together, but the irresistible thrum of a thousand heartbeats won't let them stay apart. Kiera Cass brings her signature sparkling romance to this beautiful story of star-crossed lovers and long-held secrets.

A would-be queen, a handsome king, a perfect match, or is it?

This title features the achingly romantic and stylish four of the Selection novellas: the prince, the guard, the queen, and the favorite, together in one volume.

The Selection changed the lives of thirty-five girls forever. Now only one will claim Prince Maxon's heart. It's swoon meets the Hunger Games in the third installment of the Selection series.

The one is perfect for the fans who have followed America's Whirlwind Romance since it began and a swoon-worthy read for teens who have devoured Veronica Roth's *Divergent*, Ally Condie's *Matched*, or Lauren Oliver's *Delirium*. The Selection changed America Singer's life in ways she never could have imagined. Since she entered the competition to become the next princess of Illéa, America has struggled with her feelings for her first love, Aspen, and her growing attraction to Prince Maxon. Now she's made her choice, and she's prepared to fight for the future she wants. Find out who America will choose in the one, the enchanting, beautifully romantic third book in the Selection series.

Kiera Cass's *The Elite* is a must-read for fans of dystopian fiction, fairy tales, and reality TV. This sequel to *The Selection* will enchant teens who love *Divergent* and *The Bachelor*. In America Singer's world, a bride is chosen for the prince through an elaborate televised competition. In the second book of the Selection series, America is one of only six girls left in the running, but is it Prince Maxon, or life as the queen she wants, or is it Aspen, her first love? *The Elite* delivers the adventure, glamour, political intrigue, and romance readers of the Selection expect and continues the love triangle that captivated them.

Thirty-five beautiful girls, thirty-five beautiful rivals. It's the chance of a lifetime, and 17-year-old America Singer should feel lucky she has been chosen for the Selection, a reality TV lottery in which the special few compete for gorgeous Prince Maxon's love. Swept up in a world of elaborate gowns, glittering jewels, and decadent feasts, America is living a new and glamorous life, and the prince takes a special interest in her.

much to the outrage of the others rivalry within the selection is fierce and not all of the girls are prepared to play by the rules but what they don't know is that America has a secret one which could throw the whole competition and change her life forever
