the struggles we encounter as adults in all areas of our lives come directly from unresolved childhood pain that still resides deep within us. The journey to the inner child workbook shows you how to navigate back to your inner child and connect with all the feelings and memories that created the pain that you still carry as an adult. By doing this you free yourself from self judgment and self punishment. You will then have the ability to accept where and how the pain came into your life as a child. Your adult life will then reflect your sense of inner peace.

You likely bought this book due to an unspoken pattern of relationships you have in your daily life. You're exhausted of repeating and you want it to end. Perhaps you've attempted to change something to break the cycle. Perhaps you've tried methods of bandaging. Perhaps you've even been for therapy but the old patterns continue to show daily. It's not working. Have you ever thought about these questions: why am I repeating the same errors throughout my life? How can I be so surrounded by negative people? Does it feel like I've got a hole in my body that isn't going out? Why will I surrender my power and let others decide my character? Why aren't my feelings important? Why can I keep people even the good ones away? Why am I unable to allow them to enter? Why do I insult others verbally and then swear that I will not repeat it? What is the reason it is so hard to love? Am I even loveable? What is it that makes me feel so angry and hurt? Why must I do all this to benefit others but do nothing for me? Why am I able to self sabotage? What makes me think that I'm a loser and unworthy? We've had to ask ourselves these kinds of questions at some point or other. Many people attempt to answer these questions independently or seek out their friends or family to help them figure out what's wrong. It is common for people to get numerous unhelpful comments from people and then become less clear than they have ever. People are likelier to share what they do just like getting advice from bumper stickers.
