steps on life's journey a beginners guide is a how to guide for the new believer in jesus christ it teaches you about the important stepping stones to build your relationship with your lord and savior through the use of scripture and the authors own personal testimony it walks through beginning faith building basics such as dispelling common myths and misconceptions about your faith preparing for spiritual battle with the armor of god tithing and serving and witnessing to others each chapter heading is a question and the chapter answers that question in an easy to read fashion each chapter then ends with a

summarized answer of the question

where do i find more leaders every leader of a growing organization asks this question and though we know we need more leaders few of us know how to create a culture of leadership development this book recounts how steve murrell and every nation rediscovered four leadership multipliers that solved the leadership shortage of a growing church and global mission organization the principles and stories in these pages will help you identify leaders develop current leaders and multiply future leaders

in narrative theology and the hermeneutical virtues humility patience prudence jacob l goodson offers a philosophical analysis of the arguments and tendencies of hans frei s and stanley hauerwas narrative theologies narrative theology names a way of doing theology and thinking theologically that is part of a greater movement called the return to scripture the return to scripture movement makes a case for scripture as the proper object of study within christian theology philosophy of religion and religious ethics while thinkers within this movement agree that scripture is the proper object of study within philosophy and religious studies there is major disagreement over what the word narrative describes in narrative theology the yale theologian hans frei argues that because scripture is the proper object of study within christian theology and the philosophy of religion scripture must be the exclusive object of study to think theologically means paying as close attention as possible to the details of the biblical narratives in their literal sense different from frei s contentions the christian ethicist at duke university stanley hauerwas claims if scripture is the proper object of study within christian theology then the category of narrative teaches us that we ought to give our scholarly attention to the interpretations and performances of scripture hauerwas emphasizes the continuity between the biblical narratives and the traditions of the church this disagreement is best described as a hermeneutical one frei thinks that the primary place where interpretation happens is in the text hauerwas thinks that the primary place where interpretation occurs is in the community of interpreters in order to move beyond the dichotomy found between frei s and hauerwas work but to remain within the return to scripture movement goodson constructs three hermeneutical virtues humility patience and prudence these virtues help professors and scholars within christian theology philosophy of religion and religious ethics maintain objectivity in their fields of study

the purple basics is the prequel to the purple book the bestselling bible study covering

biblical foundations the focus of this study is what has been called the gospel creed the gospel is the good news that god became man in jesus christ he lived the life we should have lived and died the death we should have died in our place three days later he rose from the dead proving he is the son of god and offering the gift of salvation and forgiveness of sins to anyone who repents and believes in him millions have attended church and studied scripture yet lament they lack confidence to share the gospel this study will give you both the confidence and clarity to communicate this life changing message with others christ s death and resurrection provide the truth that the gospel is public truth that jesus actually lived died and rose again from the grave you can spend a lifetime studying scripture and barely scratch the surface of god s knowledge yet he has communicated enough for you to know that he exists and how you can enter into a relationship with him each chapter includes introductions to the gospel creed bible study questions to understand the gospel gospel summaries to master the message

the bible is the most successful book ever written for well over 1 000 years it has been the most widely circulated of all written works and it has affected the culture language and art of more people than any other book has done in turn every age has adapted and used the bible for its own purposes influencing its shape appearance and language this is a narrative of the bible as an artefact an account of how it has changed evolved and survived during its extraordinary journey through history
