David Pawson is one of the church's most highly regarded leaders and provocative teachers of the last thirty years as both pastor and preacher he has developed a reputation for prophetic biblical insight clarity of expression and uncompromising but loving challenge to Christians' hearts and minds describing himself as an unorthodox evangelical he has remained faithful to his own vow to be honest with God's word as revealed in the Bible no matter what the cost or consequence this has led on some occasions to clashes with those who have held opposing interpretations of Scripture Not as bad as the truth is David's typically honest fresh and lucid account of his life and teaching it recalls the influences and formative moments of his childhood upbringing and early ministry and concludes with a portrait of the less familiar man behind the teaching

David's travels, hobbies and interests and the joys and challenges of family life but perhaps this book's greatest legacy will be its summaries of the author's most urgent and significant theology and his fascinating account of the styles and techniques of preaching includes forewords by Sir Cliff Richard and Jennifer Rees Larcombe

David Pawson was widely regarded as one of the finest Bible teachers of our generation. This is a collection of tributes from around the world of David's friends. It contains personal stories of their friendships with David as well as how David's teaching ministry had impacted them and others in the churches in their countries. In these tributes we see different aspects of David that are not as well known but that have endeared him to his friends. What they say about David Pawson, his life and ministry, were well lived and stand as an outstanding example in our day when such things are rare along with thousands of others. I thank the Lord for having known David and for the seeds of biblical truth he sowed into my life. Peter Tsukahira, a gentle and generous spiritual giant, Dr Daniel Ho, I consider him to be one of the finest teachers of the Word of God in our generation. Pastor Yang Tuck Yoong, we celebrate his Bible teaching and many of our leaders and others listened way back when they were on tapes that went around the world. The greatest thing I celebrate is that he persevered through many difficulties and challenges. Only heaven will tell the story. George Verwer, he avoids religious and theological jargon and understates his sharp intellect and scholarship. He is only intent on communicating biblical truth and glorifying Christ, not himself. His teaching style is gentle yet uncompromising. You are welcome to challenge him but make sure you have studied all the Scripture on the subject before you do. Justice Dr Philip Pillai, whether the angels in heaven will be ready for such a man, I don't know. I can't imagine they would have met too many people as passionate about truth as David nor as gifted in communicating it. Dr Ian Stackhouse.

A kingdom is a group of people ruled by one person, the king, who makes all the laws himself without their votes or approval. The concept is anathema to contemporary democracy and its confidence in government by the people. The naive assumption that majorities will always get it right. History does not encourage optimism. There have been more bad kings than good even in God's chosen people, Israel. Behind our world's problems, which baffle our finest politicians and philosophers, lies a fundamental racial and fatal error of having chosen the wrong king. Born into his kingdom, he has deceived us into thinking we can each of us be our own kingdom, inevitably clashing with each other as individuals or nations. The only solution is to find the right king and become his loyal citizens. One day all other kingdoms will be shaken to pieces but this will

remain for ever only then will the conflict in which every one of us is involved be resolved

david pawson presents a unique overview of both the old and new testaments

the author writes the so called lord s prayer is full of surprises for one thing the lord could never have used it himself with its central and longest plea for forgiveness though he gave it as a model for private prayer it has become the most common corporate liturgy of the church its brevity is striking consistent with his criticism of pagan devotions with their many words above all it is comprehensive covering all the basic concerns of a christian while clearly indicating that these should cover god s needs honour and loyalty before his or her own food and forgiveness even though it begins with god whom jesus called my father but we must say our father it ends with the devil deliver us from the evil one it is for weekdays rather than sundays try using it for a month

john is a remarkable gospel utterly different from the other three it reflects the unique insights of the man who was closest to jesus while he was on earth and is full of concern that we should not just know about what jesus did but should also realize who he was it reflects too john's burden the believers in jesus should not be side tracked by erroneous teaching whether concerning jesus identity or the veracity of his claims he wanted believers to be absolutely sure that eyewitnesses jesus own words and his astonishing works all point to one who was truly god come in the flesh the living word the very glory of god among humanity john's collected evidence and proof all make the most compelling testimony to jesus right to demand our on going trust and obedience

revised and updated to include david's most recent teaching 2014

but i'm not a hebrew so why should i read a letter addressed to jewish believers because the author's warnings and appeals don't go back do go on are needed by christians teetering on the slippery slope of backsliding or simply standing still for the eager believer still running the race this letter offers a new perspective on both the old testament and the lord jesus it answers the crucial question where is he now and what is he doing people saw him as the prophet and will see him as the king but hebrews sees him as the priest we all need yet he is the same yesterday today and for ever

unlike paul's other letters this one is not addressed to particular churches or individuals with their own needs and problems even ephesians is not in all the early copies it is a circular despatch covering general matters of belief chapters 1-3 and behaviour chapters 4-6 applicable to all churches and christians everywhere it is one of the clearest statements in the new testament of god's purpose in saving us and is as practically challenging as it is spiritually inspiring perhaps that is why it is such a popular choice for preachers

jeremiah was god's man for a nation declining from having been one of the first powers to being a very third rate power a nation losing its empire losing its territory a nation getting involved in all sorts of relationships with other nations to try to survive by joining larger power units a nation that was doing exactly what ours is doing and that was becoming weak in its external and political relationships because it was becoming weak morally and spiritually inside as we go through this prophecy you will think you are reading the sunday newspapers it is a most relevant part of god's word people used to bring me newspaper cuttings during our studies of jeremiah they were taking the word of god then picking up their newspaper the next morning and relating god's eternal word with man's

word it becomes possible to see how it all fits

it must bewilder many christians that teachers and preachers using the same bible can come up with so many different interpretations and more particularly applications of god's word one of the main reasons for this confusion is their handling of the word covenant which is so fundamental to scripture the two key questions are how many covenants has god made with human beings and how many of these apply to christians today some say there is only one the covenant of grace running right through scripture though they might add a second a covenant of works which applied only to adam in eden most think there are two the old and the new corresponding to the old and the new testaments a synonym for covenant others claim to have found seven though they usually call them dispensations this author believes there are five which are basic to the story of our redemption the noahic abrahamic mosaic davidic and messianic only one of these is old and therefore obsolete only one is new but endorses the other three with this insight we can rightly divide the word of truth 2 timothy 2:15 niv has correctly handle see if you agree

why is the ascension such a neglected area of biblical teaching what exactly happened how did the disciples react why did jesus go back to heaven what did he do next what is he doing now how does all this connect with our lives today david pawson explains why the ascension of jesus can still be a source of inspiration to every christian believer

genesis is the beginning of the bible but it has got the beginning of everything else in it here is the beginning of the universe the beginning of history the beginning of the human race the beginning of marriage and family life the beginning of government and civilisation the beginning of the arts the beginning of music the beginning of sin and the beginning of death the book of genesis begins with the living god and it ends with a dead man and the last words in this book are in a coffin that in a sense sums up the message of the book history began with the living god but it very soon became about a dead man and the tragic story of genesis tells us about that you will never answer the biggest questions in life unless you can go back to the beginning it provides the clue to such questions as where did the world come from why am i here what is life all about is there any purpose at all you have to go back to the beginning to find the answers therefore the book of genesis is a thrilling book it gives you the answers to such questions

david pawson has been teaching others the bible for over forty years often during this time when wanting to communicate god's truth more effectively and to breathe fresh life into familiar scripture verses he would

paraphrase passages of the bible into colloquial english loose leaves from my bible contains a selection of david pawson s most popular paraphrases with notes about their origin passages from genesis psalms ecclesiastes habakkuk luke and john are included together with the complete books of jude and galatians

basing his study on the new testament david pawson advocates a synthesis of the liberal emphasis on repentance the evangelical on faith the sacramental on baptism and the pentecostal on the spirit he then relates these spiritual dooes to the concepts of conversion and regeneration the normal christian birth looks at crucial and controversial texts challenging traditional interpretations the final section on evangelistic counselling questions the adequacy of the typical sinner s prayer approach drawing from scripture and experience david pawson gives many practical tips on helping potential disciples to repent believe be baptised and receive the spirit

the author writes i am willing to unite with anyone who will preach the gospel of paul and have fellowship with them i have been in a roman catholic presbytery with a priest and we spent two hours talking about the gospel of our lord jesus christ and we found that we believed the same gospel i e the gospel of our lord jesus christ as preached by paul

in this book david pawson call the church to back the very heart of the good news for many the gospel is that god loves everybody unconditionally yet neither jesus nor his apostles ever preached like that they seem to have thought that the world needed to know about his righteousness and even his eagerness to share that with us that is because he is determined to have a universe in which there is no unrighteousness whatever why don t we think that is good news

from the foreword by elisabeth elliott a simple sane serious treatment of the subject by a man who loves god respects women and takes the inspiration of scripture and the integrity of the apostles for granted
