over the course of the past two hundred years only one united states territory has experienced foreign occupation alaska available for the first time in paperback alaska at war brings readers face to face with the north pacific front in world war ii wide ranging essays cover the war as seen by alaskan eyes including the japanese invasion of the attu and kiska islands the effects of the war on

aleutian islanders and the american campaign to recover occupied territory whether you're a historian or a novice student interested in this pivotal period of american history alaska at war provides fascinating insight into the background history and cultural impact of war on the alaskan homefront

beginning in 2006 the aleutian world war ii national historic area has produced calendars with each month focused on an illustrated history related to the program's interpretative themes each year the calendars interwove and built upon the two main themes of the national historic area the aleutian military campaign and the unangax aleut experience of world war ii the calendar stories also reflected the program's focus on the natural environment as well as historic preservation both in reference to unangax culture and history and to the military campaign the calendars also explored previously unknown sides of world war ii aleutian experience including primary research on the personal histories of soldiers and civilians in the aleutian islands this calendar compendium draws from a wide range of histories from the 2011 through 2016 calendars introduction

memories and experiences of the author on adak between 1989 and 1994 life on the isolated island forced the inhabitants civilian military dependent employee and aleuts to bond like family with photographs

the legend of dashiell hammett the former pinkerton detective who reinvented the mystery story in five books written between 1929 and 1934 is carefully examined here by richard layman in a meticulously factual account of all that is likely to be known about the real continental op this unsentimental account of hammett from his rural maryland youth through the pinkerton years in san francisco fame as a novelist notoriety as a hollywood screen writer imprisonment as an uncooperative mccarthy committee witness and an obscure death in 1961 highlights the facts while accenting the shadow on which the legend would be built book jacket

concentrates on major figures of a particular literary period movement or genre

a collection of essays analyzing the representation of the arctic region in documentary films beginning with robert flaherty's *nanook of the north* 1922 the majority of films that have been made in about and by filmmakers from the arctic region have been documentary cinema focused on a hostile environment that few people visit these documentaries have heavily shaped ideas about

the contemporary global far north in arctic cinemas and the documentary ethos contributors from a variety of scholarly and artistic backgrounds come together to provide a comprehensive study of arctic documentary cinemas from a transnational perspective this book offers a thorough analysis of the concept of the arctic as it is represented in documentary filmmaking while challenging the notion of the arctic as a homogenous entity that obscures the environmental historical geographic political and cultural differences that characterize the region by examining how the arctic is imagined understood and appropriated in documentary work the contributors argue that such films are key in contextualizing environmental indigenous political cultural sociological and ethnographic understandings of the arctic from early cinema to the present understanding the role of these films becomes all the more urgent in the present day as conversations around resource extraction climate change and sovereignty take center stage in the arctic s representation highly recommended choice a thorough exploration of the inexorable links between the circumpolar regions and historic and contemporary documentary filmmaking it will b valuable to arctic humanities specialists particularly as a welcome addition to scholarship on visual depictions of the arctic by authors such as ann fienup riordan richard condon russell potter and peter geller as well as mackenzie and westerstahl steport s earlier co edited volume films on ice it will also be of use to anyone interested in ways of studying linkages between filmmaking environments and local and outsider communities sarah pickman yale university h environment january 2020

cd rom contains geographic information systems gis database and supplementary data for chapters

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea
